Thunderstorms Hit Texas Areas 9th Straight Day

By The Associated Press

Violent thunderstorms hit wide areas of Texas for the ninth straight day Saturday, pouring more water into already flooded streams in the northeast part of the state and adding to the millions of dollars in property damage. At least 14 persons have died in the Dallas-Fort Worth area because of storm-related accidents. Another 12 persons drowned in Northeast Texas flood waters. A clash of warm and cold air set off the turbulent weather that produced rain over most of the Eastern half of the nation. The frigid air dropped temperatures to 5 above zero at Aberdeen, S.D., and 12 at Waterbury, S.D., early Saturday.

The cold air extended into the Texas Panhandle, where Amarillo reported an afternoon high of only 40. Presidio, Tex., again was the country's warmest place with 50.

A large tornado funnel was sighted Saturday night swirling in the air about 10 miles north of Nacogdoches in East Texas. There was no report that it struck ground.

A temporary levee on 12-Mile Bayou, north of Shreveport, La., broke Saturday sending floodwaters rolling toward Oil Creek.

See STORMS, Page 2, Col. 5

Lends Hand

WASHINGTON (AP) — Luci Johnson will drop by the 2nd Precinct police station here Saturday to lend a hand in sprucing up the area.

The downtown station is being included in her mother's efforts to beautify the nation's capital.

The city's first Negro police captain, Owen Davis, suggested the idea to Mrs. Lyndon B. Johnson's Committee for More Beautiful Capital as part of a neighborhood clean-up program in the Shaw school development area.

A temporary levee on 12-Mile Bayou, north of Shreveport, La., broke Saturday sending floodwaters rolling toward Oil Creek.

Driver Killed When Auto Flips 3 Times

A Copperhill, Tenn., man, living in the Twin Falls area, was killed when his car flipped three times at about 3:30 p.m. Saturday six miles north of the junction of U.S. 83 and Idaho 25. Lonnie Lee Bryson, 46, was dead on arrival at St. Benedict's Hospital. The cause of death was presumably a broken neck sustained when Bryson lost control of the 1952 Chevrolet he was driving as he attempted to pass a slow-moving pickup truck towing a boat trailer, which was behind a farm tractor.

The automobile went into a skid which caused it to enter the left borrow pit, bouncing back onto the highway, overturning as it careened off the

Employment Group Ends Annual Meet

(See picture on page 22)

Two Magic Valley residents were honored as the Idaho chapter of the International Association of Personnel in Employment Security (IAPES) ended its annual convention in Twin Falls Saturday.

James Catterson of the Twin Falls Department of Employment office was elected president of the Idaho Association and Mrs. Gerri L. Hill, Burley, was elected as one of three delegates to the International convention in Pittsburgh, Pa.

Other officers installed during ceremonies Saturday evening included Glen Karr, Weiser, vice-president, and Mrs. Muriel Plush, Boise, secretary-treasurer. This will be Mrs. Plush's third term in that office.

Saturday afternoon Richard Barnes of the Mountain Home Jobs Corps Conservation Center spoke to an estimated 150 delegates from throughout the state.

H. Fred Garrett, executive director of the State Department of Employment, was presented a plaque for 28 years of service to the people and the state. Garrett serves in the Burley employment office.

Robert Knudsen, Aberdeen, accepted a certificate of appreciation from IAPES on behalf of the American Legion. The certificate was presented for the co-operation of the Legion and for assistance rendered in helping veterans find employment.

Hank L. (Hank) Wiles, local businessman, acted as master of ceremonies during the concluding banquet Saturday evening at the Elks Lodge. Highlighting the evening was the announcement that Mrs. Gerri L. Hill of the Burley office had been selected to represent the delegates at the International convention later in the year.

Ronald Cutler, Twin Falls, and Hugh Nelson, former Twin Falls-area resident now living in Boise, were awarded with charter member certificates at the conclusion of the banquet.

POWER CUT OFF

LITTLE ROCK, Ark. (AP) — An explosion and fire in an underground transformer knocked out electric power over a 40-Rock Saturday.

Residents of Twin Falls county will be given an opportunity Wednesday to suggest areas they believe should be considered as potential county park or recreation areas.

A special meeting has been scheduled for 8 p.m. Wednesday in the District Courtroom of the County Courthouse by the Twin Falls County Parks and Recreation Advisory Committee to hear any such suggestions from individuals or organizations.

Committee members said they will consider all such suggestions in determining which projects they will recommend to the County Commission this year for future development.

Committee members said they plan to compile, as soon as possible, an inventory of potential park and outdoor recreation areas.

All suggested sites will be examined by the committee and studied to determine feasibility for future development and outlined.

If it is decided areas should be developed, the committee will work up plans, estimate costs, recommend them for development and set up a priority of proposed projects to be submitted to the County Commission.

As soon as the county has funds available to undertake the development, the commission will decide which areas should be developed and the order in which they should be developed.

Committee members said they will consider all such suggestions in determining which projects they will recommend to the County Commission this year for future development.

The committee recently

\$710 Million Southwest Idaho Water Project Gets Unanimous OK of Board

BOISE (AP) — A \$710 million southwest Idaho water project won unanimous endorsement from the Idaho Water Resource Board Saturday. But the board stipulated that it would comment on hydrology reports of the project would irrigate 500,000 acres of arid land in seven southwest Idaho counties.

Regional Music Event Concluded

BURLEY — Some 2,000 high school musicians from throughout Idaho concluded a two-day regional music festival Saturday at the Burley High School.

Friday was devoted to solo and ensembles by students who had received superior ratings at district festivals earlier this spring. Friday night the musicians were guests at a dance sponsored by the Burley High School student body. Music was furnished by "The Undergrads."

Saturday, Class B, C and D bands, mixed chorus and girls' and boy's choirs performed Saturday and Friday night. The Class AA bands and orchestra performed as well as the Class A Bands.

Judges for the regional meet included Dr. Donald Holliday, Brigham Young University, and Dr. Newell Waite, University of Utah; vocal: Donald T. Thobold, Weber College; Ralph Laycock and Vaughn MacKurdie, both Brigham Young University, instrumental, and Forrest Stoll, University of Utah, and Slaughter, both Ricks College, band and orchestra.

Judges for the regional meet included Dr. Donald Holliday, Brigham Young University, and Dr. Newell Waite, University of Utah; vocal: Donald T. Thobold, Weber College; Ralph Laycock and Vaughn MacKurdie, both Brigham Young University, instrumental, and Forrest Stoll, University of Utah, and Slaughter, both Ricks College, band and orchestra.

The board members toured the expanse by air before resuming the second day of a meeting at which they already have endorsed Idaho participation in a proposed Columbia River Basin Commission.

The Southwest Idaho Water Development Project is designed to irrigate nearly 500,000 acres of now undeveloped desert with water from reservoirs behind dams that would be built on several southwest Idaho rivers.

The project also would produce electric power and would include recreation development.

The board opened its two-day meeting Friday by endorsing the proposed Columbia River Basin Commission.

By a vote of 62, the board authorized Gov. Robert E. Smylie to join other Pacific Northwest governors in setting up the regional agency.

The endorsement represented a change in position for the board and Smylie.

Both had previously felt Idaho should not act hastily in joining such a commission.

Speakers

Speakers to present facts about the College of Southern Idaho bond issue will be provided for any group or organization in Twin Falls and Jerome counties between now and May 10.

Anyone desiring a speaker for a program on the bond issue should telephone William Grange, 733-6230, Twin Falls.

Authorizing Gov. Robert E. Smylie to join other Pacific Northwest governors in setting up the regional agency.

The endorsement represented a change in position for the board and Smylie.

Both had previously felt Idaho should not act hastily in joining such a commission.

Others are Archie Quesnell, son of Mr. and Mrs. Harvey Quesnell, assistant reporter; Robin Wells, son of Mr. and Mrs. Frank Wells, sentinel; and Donald Montgomery, son of Mr. and Mrs. Fred Montgomery, treasurer, all Twin Falls.

Chapter Star Farmer Award was presented to David Sommer, Outstanding Member Award was presented to Robin Wells.

Honorary Chapter Farmer-Dreamer Award to persons who have made outstanding service to the chapter.

The endorsement represented a change in position for the board and Smylie.

Both had previously felt Idaho should not act hastily in joining such a commission.

Two FFA members spoke at the banquet. Kyle Fuller, son of Mr. and Mrs. Ellis Fuller, Twin Falls, past state FFA vice-president and member of the local unit, pointed out the real value of the FFA organization and the shutdown it offers young men.

McNamara, son of Mr. and Mrs. Harvey Quesnell, Twin Falls, sentinel, also FFA president, noted the myriad of opportunities available to FFA members, and encouraged his fellow Future Farmers to take a strong interest and participate in the organization.

Among the farming operations is the company's control of the Potomac mushroom market, which supplies about one-third of the U.S. mushroom supply. The corporation will soon be importing mushrooms from Mexico.

"We have carved out a niche, and infinite further opportunities are available to us in new products, in new processes, in new packages and in international development," he added.

He stated his opposition to further legislation regulating packaging. He said marketing is best undertaken on independent terms. Government controls, he said, "hamper the company."

Demonstrators Defy Police Lines

SAIGON (AP) — About 8,000 demonstrators defied police lines Sunday and surged toward the fortified U.S. embassy building near the Saigon waterfront.

The demonstrators, chanting slogans against the Viet Nam war, were part of thousands who marched through the wide streets of the capital in the traditional International Labor Day march.

"I believe that the economy of Twin Falls County is based primarily on agriculture. I believe that I can be of some assistance to the economy of the country," he said.

He replied: "Certainly not as a result of our discussions of the last few days."

And soon thereafter the Defense Department, obviously under McNamara's orders, rushed out a statement saying the reports of a change "are not correct."

Those reports said the United States had proposed a new policy which would junk the carefully measured response and substitute an automatic, though limited, nuclear reply to any attacks on NATO territory.

But this claim turned to dismay, sources indicated, when McNamara read published reports saying he had proposed a drastic change in the basic U.S. position.

Those reports said the United States had proposed a new policy which would junk the carefully measured response and substitute an automatic, though limited, nuclear reply to any attacks on NATO territory.

McNamara was asked at the airport whether any new nuclear strategy is in the works for NATO.

He replied: "Certainly not as a result of our discussions of the last few days."

And soon thereafter the Defense Department, obviously under McNamara's orders, rushed out a statement saying the reports of a change "are not correct."

In the telegram, army sources said Gen. Baumann died of gun shot wounds received while in command of the 44th and the 7th Cavalry Regiments in the South Vietnamese.

After graduation from West Point in 1955, Gen. Baumann attended the University of Idaho, where he earned a B.S. degree from the School of Forestry in 1959.

Gen. Baumann was moved to Twin Falls when he graduated in 1959. He attended Twin Falls High School and was active in sports. He lettered in football for three years and was captain of the football team in 1958.

After graduation from the University of Idaho, he joined the Idaho National Guard and became a member of the 1st Battalion, 14th Infantry Regiment, 1st Infantry Division.

Gen. Baumann was promoted to the rank of colonel in 1963 and to brigadier general in 1967.

Gen. Baumann originally was assigned to the 1st Cavalry Division, Fort Hood, Texas, and was promoted to major general in 1970.

Gen. Baumann was promoted to the rank of four-star general in 1973 and was assigned to the 1st Cavalry Division, Fort Hood, Texas.

Gen. Baumann was promoted to the rank of five-star general in 1976 and was assigned to the 1st Cavalry Division, Fort Hood, Texas.

Gen. Baumann was promoted to the rank of five-star general in 1976 and was assigned to the 1st Cavalry Division, Fort Hood, Texas.

Gen. Baumann was promoted to the rank of five-star general in 1976 and was assigned to the 1st Cavalry Division, Fort Hood, Texas.

Gen. Baumann was promoted to the rank of five-star general in 1976 and was assigned to the 1st Cavalry Division, Fort Hood, Texas.

Gen. Baumann was promoted to the rank of five-star general in 1976 and was assigned to the 1st Cavalry Division, Fort Hood, Texas.

Gen. Baumann was promoted to the rank of five-star general in 1976 and was assigned to the 1st Cavalry Division, Fort Hood, Texas.

Gen. Baumann was promoted to the rank of five-star general in 1976 and was assigned to the 1st Cavalry Division, Fort Hood, Texas.

Gen. Baumann was promoted to the rank of five-star general in 1976 and was assigned to the 1st Cavalry Division, Fort Hood, Texas.

Gen. Baumann was promoted to the rank of five-star general in 1976 and was assigned to the 1st Cavalry Division, Fort Hood, Texas.

Death Takes Mrs. Tolman At Age of 81

HAILEY — Mrs. Mary Caroline Tolman, 81, died Monday at 1:35 p.m. Friday in St. Benedict's Hospital, her home. She was born Jan. 11, 1885, at The Dalles, Ore., and was married to Chester L. Tolman Nov. 10, 1903, in Caldwell. She worked on the Robertson Sheep Ranch McLeod for several years after their marriage.

In 1938, she, her husband and a daughter, Mrs. LaVern Green, purchased the Belvoir Cafe, Carney. In 1942, her husband died, and she lived with Mrs. Green until she entered the rest home.

Surviving are a son, Lyle Tolman, Denver; two daughters, Mrs. Green, Carney, and Mrs. Louise Ashton, Naturalizer Color; two brothers, Carl Hurst and Lloyd Hurst, both Bellevue; three sisters, Mrs. Mary Thompson, LaGrange, Ore.; Mrs. Stella Hermanson, and Mrs. Sadie Thompson, both Bellevue; six grandchildren, seven great-grandchildren and two great-great-grandchildren.

Burial services will be held at 2 p.m. Wednesday in the Bellevue Community Church with Rev. Ronald Laughlin and Elder Dick Adamson of the Carey LDS Church officiating. Final rites will be held in the Bellevue Cemetery. Friends may call at the Bird Funeral Home from Monday afternoon until time of services Wednesday.

Magic Valley Funerals

TWIN FALLS — Funeral services for Thomas Dickerson will be held at 2:30 p.m. Monday in Reynolds Funeral Chapel with Rev. Donald L. Hoffmann officiating. Final rites will be held at Sunset Memorial Park. Friends may call at the mortuary Monday until time of service. Contributions are suggested for the National Foundation for Asthmatic Children. They may be left at the funeral chapel.

RUPERT — Funeral services for William Thomas Ennis will be conducted at 2 p.m. Monday at the Walk Mortuary Chapel with Rev. John Pickrell of the Rupert Presbyterian Church officiating. Final rites will be held in the Rupert Cemetery. Friends may call Sunday afternoon and evening and Monday until time of services.

TWIN FALLS — Funeral services for Mrs. Mary Jane Fryer will be held at 3:30 p.m. Thursday in the Twin Falls First Methodist Church. Final rites will be held at Sunset Memorial Park. Friends may call at Reynolds Funeral Chapel Wednesday afternoon and Thursday until 1 p.m. Contributions may be made to the Methodist Church Memorial Fund or the Cerebral Palsy Fund, and may be left at the chapel.

HAILEY — Funeral services for Mrs. Nancy Caroline Tolman will be held at 3 p.m. Wednesday in the Bellevue Community Church with Rev. Ronald Laughlin and Elder D. Richard Adamson of the Carey LDS Church officiating. Final rites will be held at the Bellevue Cemetery. Friends may call at the Bird Funeral Home from Monday afternoon until time of services Wednesday.

BURLEY — Funeral services for Theodore A. Wahstrom, former Burley-Oakley-area resident, will be conducted at 1:30 p.m. Tuesday in the Joseph Payne Memorial Chapel conducted by Bishop Wayne Call. Conducting rites will be held in the Pleasant View Cemetery. Friends may call at the Payne Mortuary Monday afternoon and Tuesday until time of services.

Rites Held for Mrs. Guttery

Funeral services for Mrs. Marie Eila Guttery were conducted Saturday afternoon in White Mortuary Chapel with Rev. Henry Gernhardt presiding. Rites were conducted by Primrose Robek Lodge No. 16.

Tom Holter was organist and Roger Vincent was soloist. Pallbearers were Frank Eastman, Guy Cleveland, Gary Ridgeway, Ed Walls, Jike Roth and William Coulter.

Final rites were held at Twin Falls Cemetery.

Get Awards

HAILEY — Toni Croce, daughter of Mrs. Loyette Croce, Hailey, and Carolyn L. Carter, daughter of Mr. and Mrs. C. A. Carter, Gunnison, have received special award certificates in recognition of their achievement at Stevens Henager College, Salt Lake City.

Miss Croce achieved 100 words per minute in shorthand and 87 words per minute in typing. Miss Carter had 110 in shorthand and will outstanding in stenography.

MOVE TO HAILEY

HAILEY — Alvin and Mrs. Duane Slavers and four children have moved into the Castle home on 4th Ave. S. Alvin Slavers will have May 18 for his new home. He served for 20 years as the unsalaried president of Pipefitters Local 630 AFL in Detroit.

Weather Temperatures

MAGIC VALLEY — Variable high cloudiness throughout tonight. High near 20° lower in upper elevations. Some scattered rain and visibility higher in upper elevations. Low pressure outlook Monday, 70°-72°, and a little rain. Temperature forecast Gooding, 68-70°; Jerome, 71-73°; Butte, 72-74°; Twin Falls, 71-73°; Burley, 73-75°; Rupert, 73-75°; Fairfield, 69-71°; Helloy, 67-69°. High Saturday in Twin Falls, 73-75°; 68-71° at 3 p.m. with a rain squall humidity. Barometer 30.12.

SYNOPSIS

High pressure continues off the California coast, with a ridge extending northward to central Oregon. Low pressure dominates the Gulf of Alaska and a frontal system extends southward from this low to the Washington Coast. This front will dissipate as it moves inland and may light shower activity from it will remain to the north. A stationary front lies to the east of the Rockies and cold air continues to move into the interior.

High surface pressure and an upper ridge along the Pacific Coast will continue to shield southern Idaho from much precipitation through Sunday with decreasing cloudiness. Sunday night temperatures will continue to show warming trend with maximums Sunday in the middle 60°s to the middle 70°s.

TEMPERATURE AND PRECIPITATION

Highest temperature last 12 hours, lowest temperature last 12 hours, precipitation for 24 hours ending at 6 p.m. PST.

MRS. L. F. HEAGE president of the Blaine County Historical Museum, has just completed framing an autographed photograph of internationally famous poet Ezra Pound, one of him as a child with his mother and a picture of his parents in

Photographs of Ezra Pound Added to Blaine Museum

HAILEY—One of the most important additions to the Blaine County Historical Museum when it opens the latter part of May will be an autographed photograph of internationally famous poet Ezra Pound.

Another photograph shows him as a child with his mother and a picture of his mother and father in later life also are included.

In the frame with these items is a picture of the house in which he was born, same 81 years ago, on Second Avenue in Hailey. The house is now owned by Robert R. Horne.

A letter from Mrs. Frank H. Bennett, Ketchum, also framed, reads: "The enclosed photographs are sent at my request by Pound's daughter, Princess Mary deRacheberg, Merano, Italy.

"One is of Ezra Pound's mother and father, Homer and Isabel Pound, who built the home in Hailey where the poet was born."

"The other is of Ezra Pound with his beautiful mother. It was taken after they moved from Hailey to Pennsylvania."

The princess also encloses a poem written by Lulu Fuld, Hailey, which she found in her

grandmother's trunk.

"You will also be receiving an autographed photograph of Ezra Pound which his grandson, Sigmund Walter deRacheberg, is sending you. Your cooperation in returning your photograph to Ezra Pound is greatly appreciated.

father years. Also in the frame is a picture of the house in Hailey where he was born, together with a letter telling Mrs. Heage of the donations made by Pound's sister and his grandsons. (Times-News photo)

Concert, Art Show Held At Shoshone

SHOSHONE—A spring concert and art show was held at the high school gymnasium Thursday night, sponsored by the school music and art departments.

The mixed chorus, which received a II rating at the district music festival, presented several numbers. Kathy Trenkle and Robin Everett, soloists, did the numbers they did at the festival and Marva Broyle was featured as a third vocal soloist Thursday night.

The high school band performed with Ed Kelley, clarinet and alto saxophone, soloist and Kathy Ross playing a baritone saxophone.

The junior and senior high schools presented a display of their year's work. There have been 45 art students.

3 Men Placed on Probation Here

District Judge Theron D. Ward placed three men on 12 month probation after they entered pleas of guilty to charges of forgery and first-degree burglary Friday in District Court. Nelson Pyle, 21, and David Mason, 18, both from Sunnyside, were charged with forgery in connection with a forged check at Safeway Feb. 4.

Donald G. Ballard, the third man, was charged with first-degree burglary in connection with a Dec. 21, 1965 break-in at the Cove Bar.

Art classes presented a display of their year's work. There have been 45 art students.

American GIs Have Lingo of Their Own

SAIGON, Viet Nam (NEA) — Soldiers never change, but their lingo does. They went to war as infantrymen during the Revolution, as dugouts in the jungle, and now, the time around, they are calling themselves **gumshoes**. They live in the boonies (countryside) with the **zoo** (snakes). And their whole world is **Mickey Mouse** (bulked up).

Ack-Ack is out. **Bubba** (hubba) has gone the way of the like jacket. And in their stead are the hip and flip phraseology of a generation which has given birth to **Vietnams**, **Pan-Asians** and the **Hootenanny**.

Indeed, you can't understand the GI without a glossary.

WAIT ONE is the olive drab colloquialism of "excuse me." If a pic. says it, it means wait one minute. **WAXED** is a captain one hour, and a general whenever long it takes to get confirmation from Washington.

SHORT-TIMER denotes an individual whose tour of duty is growing short. Counting usually begins 24 hours after arrival.

COKKA is the Vietnamese for Coca-Cola.

WHISTER, also Vietnamese, is a drink a GI must buy a bar hostess if he is to hold her interest. Also known as Saigon tea.

DI DI, Vietnamese **AGATHA**, means either "go home" or "follow me" and may be used by a bar hostess in either way depending on whether the GI buys the whistles.

GRUNTY is a Marine neologism for infantry.

BURP is an Infantry neologism for Marine.

PEA, spelled variously, is

short for pleasure, the Vietnamese meant the worse. No more mess currency. It's not to be the very worst now. **NUMBAH ONE** (military payment certificate) which is somebody finally coins **NUMBAH ONE MIL.**

Given to troops here instead of **BAH ONE MIL.**

SORRY ABOUT THAT is a verbal salve for an assortment of complaints.

ALLIED ASSAULT, according to camp-comics, is a catch-all phrase describing any action

short for pleasure, the Vietnamese meant the worse. No more mess currency. It's not to be the very worst now. **NUMBAH ONE** (military payment certificate) which is somebody finally coins **NUMBAH ONE MIL.**

Given to troops here instead of **BAH ONE MIL.**

ZAPPED means to get shot.

WAXED means to get killed.

LADS is a derogatory term applied to infantrymen by paratroopers who, in turn, are greeted by infantrymen who yell:

"Say, Mac, what drops out of the sky?"

HALLO-OK, Vietnamese pid-

demic argot applied to students of the Vietnamese word co. **JINK** is jet pilot talk for a zig-zag to elude enemy fire. **JUNK** is pilot talk for a plane that zigged when it should have zipped. **JACK** is also pilot talk for the end result of **JUNK**. There is more fractured phonetic recognition of the phrase, to be sure, some of it of local origin but much of it rich in the word wealth of a nation that has moved from unmarried Vietnamese girl, just under three, and con-

Idaho News

STATE RE-ELECTION
MIDVALE (AP) — State Rep. Clay Sutton, Democrat, announced Saturday he will seek re-election to the Idaho Legislature and said he would continue to press for improved roads in the state.
 Sutton said he will run in the new legislative district 10A which covers Washington County and a small part of northern Payette County.
 He has served six terms in the legislature.

ANNOUNCES CANDIDACY
MOUNTAIN HOME (AP) — William L. Smallwood, a Mountain Home teacher for nine years, announced his candidacy Saturday for the Democratic nomination for State Senator.
 Smallwood, 33, said he would like to join legislative efforts in water resources, industrial and recreational development in the state, and try to put Elmore County on a "more stable and prosperous economic basis."
 He said he will seek the Democratic nomination in legislative district 19 which covers Elmore County.

PLANT TREE
BOISE (AP) — A red maple tree planted at the statehouse Friday paid tribute to former Secretary of State Arnold Williams.
 A plaque at the base of the tree noted Williams' served as Idaho's governor 1944-46. He was also a Madison County state legislator and lieutenant governor.
 Williams resigned earlier this year as secretary of state.

Snow Low on Salmon Tract Watershed

Snow depth and water content of the Rosewater-Salmon-Tract watershed are generally lower than average and much lower than for the areas last year, it was reported Friday by Glenn Nolte, chairman of the Twin Falls SCS District.

The district's snow survey report for May 1, stated snow depth at Magic Mountain is now 13.4 inches, with a water content of 5.1 inches, down from last year's 45 inches with water content of 31.1 inches, and lower than the 14.4 water content, 16-year average.

Dendrite Ridge water content was 6.8 inches, down from both last year's 28.3 inches and the average of 18 inches.

However, Hummingbird Springs readings showed a water content of 11.3 inches, up from the average 10 inches, but lower than last year's 32.3 inches.

Pole Creek Ranger Station showed water content slightly above average, but lower than last year's.

Crest Creek, Cedar Creek, Bear Creek, Meadows, Red Point and Wilson Creek snow depths were below last year and below the 10-year average, with no report available at Cedar Creek, Red Point and Wilson Creek.

Nelson noted that soil moisture is holding up well in the higher elevations. The remaining snowpack on the east end of the watershed is above 4,400 feet, and on the west end it is above 8,000 feet.

He emphasized that the amount of water produced by the snowpack and entering the reservoirs will be greatly influenced by spring precipitation.

Farm Bureau to Have Tax Meet

The Twin Falls County Farm Bureau will hold a special meeting to discuss various state tax problems at 8 p.m. Monday in the Bureau office, according to Clyde Vanauden, bureau chairman.

Vanauden said the bureau advisory committee has suggested a "grass roots" plan concerning certain taxes. Those of immediate attention, according to Vanauden, are reassessment valuation for property taxation, inventory tax and sales tax.

Vanauden said these taxes affect all Farm-Bureau members and he is urging all of them to attend the meeting.

10 Chosen

IDAHO STATE UNIVERSITY, Pocatello — The Magic Valley students are among the 42 ISU students selected for membership in Spur, honorary service organization for sophomore women.

They include Jeanne Freeman, Wendell; Francis Smith, Burley; Ellen Harkoek, Jane Berkley and Helen Maxwell, all Twin Falls; Dorothy Baret, Glenna Fausz, Karen Coffman, Shoshone; Margaret Morrison, Twin Falls; Jana Norris, Kimberly, and Donna French, Hansen.

GARY NICHOLSON
Junior at the College of Idaho, Caldwell, who has been awarded an assistantship at Indiana University to work for a master's degree in athletic training beginning with the spring semester of 1967. He is the son of J. G. Nicholson, Jerome.

Student From Jerome Gets Study Stipend

JEROME — Gary Nicholson, College of Idaho junior from Jerome, has been awarded an assistantship at Indiana University beginning the spring semester of 1967. He is the son of J. G. Nicholson, Jerome.

He will be working towards a master's degree in health, physical education and recreation, specializing in athletic training. Indiana is the only university in this country which offers master's degree in the area of athletic training.

Nicholson is currently a trainer for the Chicago Cubs in the summer. He was assigned to the Treasure Valley Cubs rookie league team last summer and again this summer.

At the College of Idaho he has been head trainer and equipment manager for the sports of football, basketball, baseball and track since 1963.

He was presented a service award as trainer by the club last spring. He served as vice president of the campus Young Republicans in 1963-64.

He has had three articles published for Cramer Chemical Co. concerning athletic injuries. He is a certified trainer and is a member of the National Athletic Trainer Association, a national professional organization.

Sunnyside 4-H Members Set Program

BUHL — Members of Sunnyside 4-H Livestock Club will present the program at the May 12 meeting, it was announced when Grange met Thursday night.

Grangers were urged to bring slides to this meet. Three resolutions were presented on the tax structure, inflation, advice relative to grain market, and brand inspection laws. No action was taken and resolutions were tabled for further study.

Mrs. Dorothy Dietz, home economics chairman, reported on varied Grange activities. She noted there was only one entry in the sewing division, a dress made by Carolyn Haley, Crossfield, which was displayed at the meeting.

She pointed out, decorative pillow judging will be held in June; candy and bread-making judging is slated for July, and needlework judging in August.

It was voted to serve two luncheons in May. Mrs. Henry Lehman and Mrs. Rex Gainforth were named chairman for the Home Culture Luncheon to be served May 13, and Mrs. Blanche Smith and Mrs. Arthur Bell, chairman for the WSCS luncheon to be served May 19.

Dorothy Dietz, agriculture chairman, reported on the new idea of branding cattle, which is by a freezing method, and is considered more humane for the animal. Mrs. Gertrude Farlinger, courtesy chairman, noted she had sent a get well card to Mrs. Elizabeth Homling.

Milo Davis, fair booth committee chairman, called the Grangers' attention to planning for the fair booth to be displayed in the Twin Falls County Fair at Filer. He pointed out since the cold weather has been detrimental to the fruit crop, members should give special attention to vegetables. It was announced Grangers are to meet with the fair board on the evening of May 9 at the Filer fairgrounds.

David also suggested to the group that the Grangers undertake as a project posting important numbers such as doctors, police and fire department numbers in public telephone booths. It was voted to take the project under further consideration.

Mike Felton and Perry Hansen discussed the College of Southern Idaho \$2 million bond issue election slated for May 10 and outlined future campus plans for the college.

Donald Dietz was winner of the baby picture contest. Refreshments were served by Mr. and Mrs. Arnold Timmer and Mr. and Mrs. D. W. Rose.

Election Slated

HANSEN — Two trustees, one for District No. 1 and one for District No. 2, will be elected three-year terms Tuesday from 1 to 8 p.m. at the schoolhouse.

Kenneth Dow is a nominee for District 1 and Bryan Harris Jr., for District 2. Dow is running in place of Joseph Prochek Jr., who has been a trustee for the past three terms. Harris is up for re-election.

GRANGE TO MEET

SHOSHONE — Lincoln-Blaine Grange VIII will meet at 8:30 p.m. Thursday at the Hallie Grange Hall, Hailey.

Graduation gift problems? Solve it with an

OMEGA
FOR A LIFETIME OF PROUD POSSESSION
When you give an Omega your thoughtfulness will be remembered for a lifetime. Few other gifts render such essential service or incur such universal admiration. Masterfully crafted, every Omega undergoes 1397 quality-control inspections to assure peerless accuracy. Come in, write or phone for free Omega style brochure illustrating over 70 men's and ladies' models from \$65 to \$1000.

Movie Shown To Heyburn Lions Club

HEYBURN — Art Grove, member of the Paul Lions Club, showed a color movie he took during the recent Lions convention at Sun Valley last week. During the Heyburn Lions Club meeting at Connor's Cafe, the Lions discussed plans for the Heyburn Arbor Day celebration to be held Friday at the school and village park and pledged their support.

Robert Lamb, Kenneth Steelman and Clyde Linzy were named a nominating committee.

Plans were disclosed for the five-inc. project with two groups competing. Winners will eat steak and losers eat beans courtesy of the losing team.

The Lady Lions will be in charge of a chili feed-for-members completing the second night of the selling campaign.

Skits Given at Cub Scout Meet

SKITS on the theme of nature and spring were presented by all five dens of Cub Scout Pack 67 at the pack meeting last week at the First Methodist Church Fellowship Hall.

David McClure, Cubmaster, presented bobcat pins to Jeff Hardin and Mike Jacobson. Steve Olsen and Ronald Jones were presented Webelos badges. Richard Rynn, committee chairman, announced the final pack meeting of the year will be a picnic at 1:30 p.m. May 13 at Twin Falls park.

GRAZING OPEN

SHOSHONE — The Hailey and Muldoon grazing units will be open for grazing Monday, according to William Matburt, district manager from the Shoshone office of the Bureau of Land Management.

CHIRCHEL HANSEN

FERRIS FREESTONE JR. and **TERRY MORRILL** have been named Murtaugh, Hansen and Kimberly delegates to the 1966 American Legion Boys' State to be held on the Boise College Campus. They are the sons of Mr. and Mrs. Ed Uhlig, Mr. and Mrs. DeVen Anderson, Mr. and Mrs. Glen Peterson, all delegates from Murtaugh school. Hansen delegates are the sons of Mr. and Mrs. Alan Dalrymple and Mr. and Mrs. Ferris Freestone. Kimberly delegates are sons of Mr. and Mrs. Garth M. Morrill and Mr. and Mrs. Louis Bulcher. All boys are sponsored by the American Legion Post No. 76, at Kimberly. Financial sponsors are Uhlig Feed Lots, Inc.; Arles Lee Lake Land Farm; Valley Bean and Grain Co., C and H Murtaugh, Inc.; Murtaugh Grange; Hansen PTA; Amalgamated Sugar Co.; Kimberly Branch, Twin Falls Bank and Trust Co., and Henry's Farm Sales.

Winners for Buhl Event Are Reported

BUHL—Winners of the Smokey Bear coloring contest conducted in the first three grades of the Buhl Elementary School under the sponsorship of the Buhl Jaycees held in conjunction with their Keep Idaho Green program are announced by John Lanni, chairman.

First place awards went to both a boy and girl in the three

grades. Winners are Carey Schmeckpffer and Katherine Wolff, first grade; Jackie Netz and Toni Montgomery, second grade; and Dan Parratt and Phyllis Hart, third grade. The boys received a game and the girls a toy hair dryer.

Lanni noted a total of 211 posters were submitted in the contest and the excellent work of all the entries made judging difficult. A panel of five judges selected the winners. The posters are now on display in the elementary school.

Mary Hennefer, Miss Day, Miss Murdock Lead Seniors

CAREY—Mary Ann Hennefer, daughter of Mrs. Gordon Albrethsen and the late Roy Hennefer, is valedictorian of the Carey High School. Co-valedictorians are Becky Day and Mary Murdock.

They are the daughters of Mr. and Mrs. Robert Day and Mr. and Mrs. T. Verd Murdock. Baccalaureate will be held at 8 p.m. May 22 in the LDS chapel and commencement is scheduled for 8 p.m. May 23 in the Carey High School Gymnasium.

Miss Hennefer has been senior class president, student body reporter, paper editor, and recipient of a Citizenship award. She holds offices in the Pep Club and yearbook, Homecoming Queen, and in the Patriotic Singing Team, Chorus and Pep band. She participated in declamation four years and in class plays.

She has been active in 4-H and has served two years as a leader. She received various awards through 4-H, one being a Union-Pacific Scholarship. She plans to attend Steven亨利 Junior College of Business, Salt Lake City.

Miss Day has been a member

of the Top Cheering band, Marching and paper staff. She participated in district and regional declamation and served as sophomore class president—and on the student council.

She has been a member of 4-H eight years and a junior leader for four years. Miss Day plans to attend Ricks College, Rexburg, and major in Elementary Education. She is the daughter of Mr. and Mrs. Robert Day.

Miss Murdock is student body secretary, student council member and FFA Chapter Sweetheart. She has held various office throughout her high school career and participated in the junior class play.

She has been a member of band, chorus and Pep Club four years and was president of band and chorus while a junior. She was a cheerleader three years and in declamation when a sophomore and a senior. She was a delegate to Syringa Girls' State and recently attended the All-State Band Clinic at Pocatello.

She plans to attend Brigham Young University, Provo, Utah.

MARY ANN HENNEFER is a co-valedictorian and co-salutatorian of the Carey High School senior class. They are the daughters of Mrs. Gordon Albrethsen and the late Roy Hennefer, Mr. and Mrs. Robert Day, and Mr. and Mrs. T. Verd Murdock. Commencement is scheduled for 8 p.m. May 23 at the Carey High School Gymnasium.

REBECCA DAY

MARY MURDOCK is a co-valedictorian and co-salutatorian of the Carey High School senior class. They are the daughters of Mrs. Gordon Albrethsen and the late Roy Hennefer, Mr. and Mrs. Robert Day, and Mr. and Mrs. T. Verd Murdock. Commencement is scheduled for 8 p.m. May 23 at the Carey High School Gymnasium.

Marine Recruiter Plans Area Visit

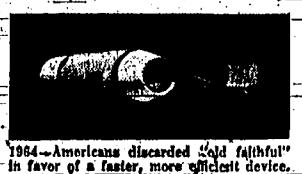

Young men and women in Magic Valley interested in enlisting in the Marine Corps will have a chance to ask questions about various programs offered

by the Corps May 24, according to Spc. W. M. Allen, marine recruiter, Boise.

Allen said he will visit Halleys at the Skyway Motel from 2 p.m. until 10 p.m. Monday, then

will move to the Rogeron Hotel, Twin Falls, where he will have interviews from 2 p.m. until 6 p.m. Thursday.

Mr. Catherine Bryan.

1964—Americans discarded "old faithful" in favor of a faster, more efficient device.

1963—For the first time, you could watch Europe "live and in color" via Telstar.

1963—Millions did the twist. Fun wasn't it?

If you haven't examined
a new Chevrolet since
Telstar, II, the twist
or electric toothbrushes,

1966 Impala Sport Sedan—a more powerful, more beautiful automobile—now available at a meat pleasing price.

1966 Caprice Custom Coupe with vinyl roof cover and simulated wire wheel covers you can order. Chevrolet's offering in the fine car field exhibits every luxury car characteristic but one: cost.

shame on you!

You've been missing out on a lot that's new and better since '62:

- A more powerful standard Six and V8s (155 and 195 hp, respectively).
- New Turbo-Jet V8s with displacements of 396 and 427 cubic inches that you can order.
- A fully synchronized 3-speed transmission as standard.
- A Turbo-Hydra-Matic transmission available.
- Deep-twist carpeting on every model.
- Six-month or 6,000-mile lubrication intervals.
- Self-adjusting brakes.
- A Delco-Remy generator that extends battery life.
- Self-cleaning rocker panels.
- Up to 3" more shoulder room; increased leg and head room.
- A smoother coil-spring suspension.
- New sound and vibration dampeners throughout.
- A longer body, a wider frame and tread.
- Items you can add, such as AM-FM Multiplex Stereo radio, Comfortron automatic heating and air conditioning, and a Til-telescopic steering wheel (or one that tilts only).
- Standard safety items on all models, including front and rear seat belts, back-up lights, windshield wipers, padded instrument panel, padded visors, 2-speed electric wipers, outside mirror, shatter-resistant inside mirror and non-glare wiper arms. (Use them to best advantage.)
- And of course the great buys you can get right now from your Chevrolet dealer.

Move out in May See your Chevrolet dealer!

Cenarrusa to Direct GOP In District

MURKIN — At the Lincoln County GOP Central Committee meeting held last week at the courthouse, Vic Cenarrusa, Carey, was elected chairman for the newly-created three-county district No. 31.

Named vice-chairman was Steven Boller, Shoshone attorney, with John George, Shoshone newspaper publisher, elected secretary.

Ward Miller, Shoshone, repre-

sentative the past several years,

announced he will be running

for that office and his position

was circulated.

Son, Jack M. Murphy, Shoshone, announced plans for a formal announcement next

week on a higher office he will seek. He will announce the same time Sen. Len Jordan will make his announcement.

Dick Hughes, Boise, state rep-

rotary, spoke to the group on

rules and regulations within

the party, duties of officers and

district delegations.

John Smith, Boise, who is

running for state treasurer, repre-

sented who felt the people of Idaho

have not been given a true pic-

tur of the financial status of the

state. John Martin, Boise,

spoke on behalf of Sen. Jordan.

Meetings of individual coun-

ty organizations will be held

May 20 in preparation for the

state convention to be held in

Boise this year.

Qualifications of persons seek-

ing the post of governor were

discussed.

Degree Given

HAGERMAN — The first de-

gree was conferred on Dale

Stine by Donald Reynolds at a

meeting of the Hagerman Ma-

sters.

Master Ronald Krohn con-

ducted the meeting. A talk on

education was given by Boise

School Supt. Marilyn Rose. The

next meeting will be May 10.

All available shelves have

been filled, and even the new

shelves which are to be added

within a few days will not sup-

ply room for all of the books ar-

riving at the college.

Max Guyer, college librarian,

pointed out that the high school

plans to enlarge the library, but

even then it will not be too much

or mark expected to be by-

outgrown the additional space.

Glen Norris, dean of men,

pointed out that the main dis-

advantage he could find in the

size of the classrooms and the

facilities, other than touching

aids, were the lack of a large

lecture room and a student

gathering place.

All college officials agreed

that while the space and facil-

ties are adequate now, it will

not be long before CSI will out-

grow the high school.

It is estimated, however, that

enrollment in the academic

branch of the college will in-

crease by about 400 students

next fall, bringing the enroll-

ment up to 1,100 students.

The high school now has facilities

to take care of 1,500 students,

a mark expected to be by-

outgrown the additional space.

The vocational branch of the

college is not expected to take

such a sudden jump in enrollment.

However, it is anticipated that

the enrollment will have

to be limited to 100-150 new stu-

dents because of a lack of funds

and space.

The most crowded situation

at the high school can be found

in the library. As books are es-

sential to learning, boxes of

them have been arriving week-

ly at the library.

If such aids were used they

would have to be removed imme-

diately following the class

because they would be vastly

different than those used by

the high school faculty mem-

bers.

Dr. James Taylor, president

of the college, said there is no

difficulty in the size of the

classrooms because the size of

classes has been broken down

according to the available

space. At present the average

class consists of 22 students.

Better conditions could exist,

Taylor went on to point out,

"but at the present time we are

not too crowded at the high

school."

Gooding Men Refute Tax

Statements

GOODING, Idaho (AP) — A

group of Gooding County men

including a former congressman

and two legislators issued a re-

buttal Saturday to tax state-

ments they said were exagge-

rated.

In an open letter, the group

and Roy G. Murphy of Forward

Idaho Inc., should give all the

facts, not just part of the pic-

ture.

They said Murphy had cited an

average property-tax reduction

of 46 cents per \$100 assessed

valuation in Gooding County

and used it as an example of

general property tax reduction

in Idaho.

"Many individual taxpayers

can't find any reduction in their

own tax billings," the group said,

"and their reason is it is dol-

lars, not comforting figures,

which they can use to further

improve their homes and busi-

ness operations."

The group said the average

person's tax reduction per

year in Gooding County was \$3

and claimed the average sales

tax per person was \$22.

Signers of the letter included

former Idaho Congressman John

Sanborn, State Sen. Don G.

Fredericksen, and State Rep.

Vernon F. Ravenasco.

Open House At Wendell Draws Crowd

WENDELL — More than 400 parents and friends attended open house at the grade school last week, sponsored by the PTA.

Teachers met visitors in the classrooms from 7 to 8 p.m. Guest books were signed and displays of the achievement projects were exhibited. Nine girls of the acrobatic tumbling class, dressed in leotards, greeted each visitor and escorted them to the room they wished to visit.

Mrs. Jim Roe, president, conducted the business meeting at which gifts of appreciation were presented to Howard Powell, custodian, and to Mrs. Chris Webb, who is retiring after 20 years of service as first grade teacher.

Invitations, special music was played by the beginners' band, under the direction of Omar Bester, music instructor.

Mrs. Dale Bitterell was installed as new president of the organization. Mrs. Harlow Cheney, Rupert 4th district president, served as installing officer.

Others installed were Mrs. John Wert, vice president; Mrs. Rita Allen, secretary, and Mrs. Nolan Cooper, treasurer.

Refreshments were served by mothers of the fourth grade. Homemade pies were sold to raise money for the kindergarten projects.

Awards to be given at the awards assembly in May will be the PTA scholarship and the attendance award of a painting will be presented to Larry Dean's high school room. The picture will be a gift from the Wendell Art class.

Deadline for GI Insurance Action Nears

Deadline for re-opening GI insurance is midnight Monday, according to Lorry E. Kopan, director of the Veterans Administration Center, Boise.

Kopan said an insurance official of the administration will be on duty in Building 13 at the VA Center, Fifth and Fort Streets, Boise, until midnight Monday. Kopan said the decision to remain open until midnight was made in the belief that many veterans who have delayed action until the last minute will be interested in obtaining the insurance.

William H. Swarley, in charge of the Twin Falls VA office, said veterans who have waited until this late date to file for the insurance will have to go to Boise to file it.

He said a person must have a service-connected disability or be badly enough disabled that a regular insurance company will not insure him to be eligible for the program. Swarley said veterans should contact him if they are eligible or not.

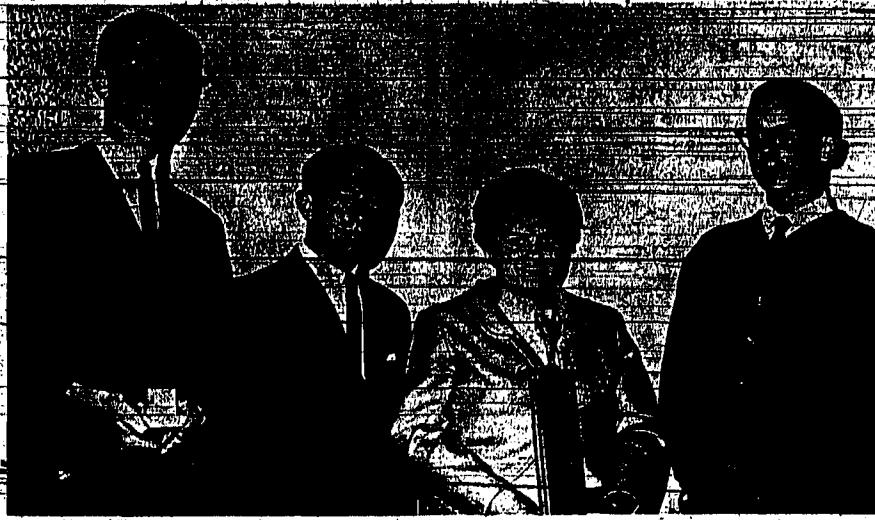

Kopan said they will process applications and assist WWII and Korean Conflict veterans making new National Service Life Insurance policies to replace those they failed to take out while in wartime service or they have since allowed to lapse.

Swarley said the insurance program was re-opened a year ago for veterans with the above mentioned disabilities. He said full information as to the types of policies available and the premium rates may be obtained when persons go to the Boise VA hospital, or any time beforehand by writing, telephoning or visiting the VA Center at Boise.

Kopan also noted that the first Idaho direct loan under the new GI Bill was closed April 8. He said Daniel D. Judkins, Pocatello, a former U.S. Marine, purchased a home with a loan from the VA.

Kopan said many other GI loans, both direct and guaranteed, are currently being processed. According to Kopan, 15,000 Idaho veterans are potentially eligible for loans under the new law.

PLAY SLATED
UNIVERSITY OF IDAHO,
Maxine Watson-Brennan, Twin Falls, is in the cast and Steve Davis, Dahl, on the production staff for the three-set play, "An Inspector Calls," to be presented at the University of Idaho's Utter Auditorium at 8 p.m. Monday through May 7.

YOUNG BUSINESSMEN AND women were honored Thursday night during the first annual Junior Achievement Futures Unlimited Banquet in the Rogerson Hotel Roundup Room. Dennis Kitzel, left, was honored as president of the year in the program. From left are members of the winning company of the year: Don Bisillion, advisor; Wilma Siger, achiever of the year, and Mark Russell, president of the company of the year, SICO. The Twin Falls program had three companies during its first year and it is hoped to have six next year. (Times-News photo)

Junior Achievement Youths Honored at Banquet Here

Twin Falls Junior Achievement program participants were honored Thursday night at a banquet in the Rogerson Hotel Roundup Room. About 100 youths who took part in the program, their families and program personnel attended the first annual event.

About 50 young people took part in the first year of the program which enables youth to learn the free enterprise system. Three companies were formed in the initial year, and Dale Patterson, program manager, said he hopes to have six next year.

The SICO Co., advised by Mountain States Telephone and Telegraph Co., was given the award for the company of the year. Patterson said the organization realized profit of about \$140 and will be able to pay its stockholders dollar for dollar on their investment, and perhaps a small dividend.

Each company, according to the Junior Achievement Program, organizes and conducts business in much the same fashion as real working organizations. Stock and products were sold to gain operating capital.

Wilma Siger was honored as achiever of the year and Dennis Kitzel as president of the year. The two other companies were Ida F. Plygarden, advised by Ida F. Powell, and JAYCO, advised by the Jaycees.

Speaker during the event was Richard Fisk, who holds the program manager's position in Boise. He noted young people are taught the basics of education during their school years, but not the business sense which the Junior Achievement program arrives to instill in the minds of its active youths.

Six Youths Are Killed in Oregon Crash

SEASIDE, Ore. (AP) — Six youths, heading in an automobile for a day of fun at the beach, collided with another vehicle early today. All six youths were killed. So were two persons in the other car.

Seven children were injured. Three of them still were unconscious more than 12 hours after the early morning crash.

There were no witnesses, but state police said tire marks indicated the youths' car went out of control on a short, diagonal stretch of U.S. 26 and skidded into the path of the other car.

The collision happened about 60 miles west of Portland near the community of Elsie. The youths were from the Portland area.

It was one of the worst highway accidents in the state. The heaviest toll came last December when 14 were killed in a bus crash near Medford.

DR. HARVARD C. LUKE announces the removal of his offices to ADDISON MEDICAL CENTER 102 Adams.

Demos Plan Banquet for Candidates

A meeting of the Twin Falls County Democratic Central Committee was held at 8 p.m. Thursday in the Twin Falls County Courthouse, and plans for a Democratic Banquet in May were discussed at the meeting, according to Grange Spradling, Bush committee chairman.

Spradling said the banquet, which is to be held May 17, will host all the Democratic candidates for governor and all Democrats who plan to run for Congress.

Plans for the forthcoming primary campaign and potential candidates for county offices were discussed, and Spradling said he was encouraging all potential Democratic candidates to announce their plans to run for office.

Spradling said the banquet will be held for all potential candidates for county and legislative offices of the May 17 filing date. He said he has noticed an increased interest among Democrats for some of the legislative posts.

NOW DEAFNESS MAY BE CURED WITHOUT SURGERY

ST. PAUL, Minn. — (Special) — For years, many people

thought the only permanent cure for deafness was surgery. But a new invention (by a deaf inventor) is proving that you can have good hearing again without surgery.

This new invention is completely different from a hearing aid. It gives you good hearing (and lets you understand what you hear) without cords, wires and with nothing in your clothes, on your glasses or behind your ear.

To learn more about this new way to hear better without painful surgery, write the inventor's c/o Hearing Information Center, 215 Commerce Bldg., St. Paul, Minnesota.

WE SERVE TO SERVE AGAIN

Talk Given to Club About Bond Issue

Armour Anderson was guest speaker Thursday at the meeting of the Credit Women's Breakfast Club.

Anderson, a member of the coordinating citizens' committee for the upcoming College of Southern Idaho bond election, urged support of the election by the group.

He recommended each member of the club check the county registration to be sure they are registered for this type of election. Open discussion followed Anderson's remarks and complacency was one of the problems pointed out in an election of this type.

Anderson, who recently attended the National Security Conference in Salem, Ore., also told the Credit Women of some of the peculiar problems encountered in various countries by this organization.

We had the struggle between the free world and its opposition for the minds of men.

The business meeting was conducted by Mrs. Lorraine Beck.

While one faction left, only 14 in Tacoma was discuss-

NBA Bulls Pick 10 Players From Eastern Division

NEW YORK (AP) — The new Chicago Bulls, who will be the 10th team in the National Basketball Association in the 1966-67 season, picked 10 players Saturday, two from each of the clubs in the Eastern Division. They will select eight more, two from each Western team.

Short Hurls Phillies Over Chicago 12-0

SUNDAY — Walter Kennedy, NBA president, refused to divulge the amount of money paid for the players other than to say that the new club paid a total of \$1.6 million for the franchise and the 18 players.

CHICAGO (AP) — Chris Klein set down the first 18 batters in order and wound up with a three-hitter Saturday as the Philadelphia Phillies exploded for a seven-run fifth inning, wallop the Chicago Cubs 12-0.

The 34-year-old southpaw, an 18-game winner last season, did not allow a hard run until Don Kessinger beat out a scratch single into the shortstop hole with one out in the sixth.

Ron Santo slammed a solid two-out double deep left in the seventh, putting a definite end to Short's spell.

In the big fifth, twelve batters paraded to the plate, collecting seven hits in a half inning that consumed 29 minutes.

Tony Taylor delivered the key blow, a three-run homer.

The loss was the 11th-place Cubs' fourth straight and 12th in 15 starts.

Philadelphia — 0-31, 0.000, 0-12, 3-3; Chicago — 0-30, 0.000, 0-0, 0-1.

Short and Uecker (Holtzman, Broglin, 5), Koone (5), Hoell, (7), Abernathy (6) and Hundley, Krug (0), W. Short, 2-1, L.

Homer runs — Philadelphia, Uecker (2), Taylor (1).

Tebbetts Can Return to Old Routine

CLEVELAND (AP) — Birdie Tebbetts can quit looking for policemen. He plans to get a haircut, too.

The Cleveland Indians manager had kept the same routine through the Indians' 10-game winning streak, including a boycott of the barber's chair and the same illegal turn on the way home.

It's back to normal now. The Tribe lost 4-1 to the Chicago White Sox Friday night, missing a chance to set a major league record of 11 straight victories at the start of the season.

About the illegal turn, Tebbetts said he and Coach George Strickland would "look four ways for police every night. I guess now I can confess. You don't think they'd arrest us now, do you?"

Gabeatis said the Indians didn't lose because of carelessness. "We got outclubbed, and they prompted in a relief pitcher who stopped us cold. We've got no regrets on this game."

Gary Peters, the White Sox starter, hit a base-empty homer in the fifth. Relief pitcher Bob Locker gave up only two hits in three innings.

Vic Davalillo homered for the Indians in the ninth off Peter, who gave up six hits in the White Sox' fifth straight triumph.

The Sox picked at four Cleveland pitchers for nine hits and chased starter Gary Bell after five innings.

Angels Strike In Eighth to Rip Sox 16-9

BOSTON (AP) — Rick Rechard hit two home runs driving in four runs, and Jim Fregosi ripped a three-run double as the California Angels exploded for 12 runs in the eighth inning and whopped Boston 16-9 Saturday.

Rechard, who received an estimated \$175,000 bonus to sign with the Angels, tied the major league record for two homers in an inning, becoming the 11th player to accomplish thefeat.

The last to do it was Joe Pepitone on the New York Yankees in 1962.

The Angels, held to two hits for seven innings, collected 11 in the eighth, including Rechard's blast and a two-run shot by Bobby Knoop.

Rechard, Knoop, Prorgo and Joe Adcock each had a pair of hits as California sent 18 men to the plate.

Calif. 0-0 0 0 1-1-16 4; Boston 1-0 0 1-3 0 0-0 8 7 0.

Chanda, Rubio (1), Burdette (7), Lee (3) and Rodriguez, Villanueva, Sanders (5), Kenney (1), Oshiro (5) and Ryan, W. Burdette 2-0, L. Samp 1-14.

Homer runs — California, Rechard (6), Knoop (4), Boddie, Yastrzemski (3), Scott (4), Migliaro (3).

Idaho State Shatters Vandals 104-41 in Dual Meet; 10 Records Fall

BOISE — Idaho State riddled the University of Idaho so convincingly in a dual meet Saturday afternoon it was doubtful even the Bengals wound up enjoying it. Coach Milton (Dubby) Holt threw such a collection of running talent against Idaho the Vandals didn't win a race all day. Only in the field events could Idaho match the Bengals in this meet that saw 10 records fall and another tied. The final point tally showed Idaho State on top:

104-41, and only 10 of the Idaho points came in running. Idaho's only three victories came on record performances. Big Ray McDonald flipped the shotput 66 feet, 6 inches and twirled the discus 168 feet, 3 inches to break records he had established a year ago. Fresh high-jumping senior, Steve Brown, who only started jumping a month ago, cleared 6 feet, 8 inches.

But that's about it for the Vandals. Suddenly, Twin Falls has, or had, two records. Since the cardio within one fourth inch, Ken Thompson has to be considered a 13-footer, along with Scott Cryder who confirmed his claim Friday.

It was a perfect situation for the boys, let alone coach Jerry Kleinkopf, who despite having the poorest club in nine years, could count on a one-two finish in the vault. Could, that is, until Thompson came down on the plantar box Monday, in practice and sustained a broken leg.

It's got to rank as one of the tough breaks in Idaho this year.

It's not that Twin Falls is hurting for the points that Thompson has always provided. The Bruins aren't going anywhere anyhow.

It was a plain bad break for a great competitor.

Thompson had been a star man vaulter for the school for the past two years. Some days he was good enough to tip off a third or fourth. Others he finished out of the money. But he never quit.

He complemented the precious Cryder perfectly and vice versa. It's either became complacent, all he had to do was watch the next guy coming down the runway. It was like a state meet every night in the practice pit. The competition was friendlier. But what made them both go higher and higher was the competition.

"This would be asking an awfully lot, but it would be nice to have Scott and Ken both as sophomores. They'd push each other to further heights for this state," said Kleinkopf one night, well in advance of the freak mishap that shoved Thompson to the sidelines with only one major meet under his belt as a senior.

There is a camaraderie in field events not found in many sports. Sprinters see each other only for a few minutes before a race and then are bent on warming up. The pole vault, for instance, is usually started before the running events and goes on when the crowd is leaving. Over a few hours like this every Saturday afternoon the vaulters develop into something quite close. In the case of Cryder and Thompson the bond became little firmer each time a new plateau was reached.

They are in study in contrast.

Cryder is a picture vaulter, he

never moves taken right out of the sequence photos of the track and field news. Thompson was a scrambler. At the top of his vault, when he was supposed to be deftly turning and jack-knifing himself over the bar, Thompson was flat on his back, arms and legs flailing. He hit on everything but his feet. But he got over. It was pure competition.

"I read all this junk in those track magazines that talk about steps, how-to-hold-the-pole, where-to-make-the-turn-and-that," says Coach Julius Domowitz. "Then I go out and watch Thompson. He's my kinda guy. To heck with technique. Just win. That's the kind-of-vaulter Thompson was. That's the kind of kid we could use about 50 more of."

It is rather ironic that Thompson was injured the way he was. After falling 13 feet flat on your back in a sawdust, one would get the idea of invincibility. Monday, Thompson had the bar at a modest 11 feet. His speed wasn't quite up and he came down under the bar, landing on both feet. Every vaulter has had that happen to him, unnumbered times. But in this instance everything was exactly wrong and the broken leg occurred.

It's always great in sports to see the plunger, the guy with not quite the talent, make a steady climb toward becoming a champion. It is sport's saddest thing when a man like this, on the threshold of true greatness, is sidelined.

We write this just to let you readers know the kid limping around the stands the rest of

this spring is a champion. In more ways than one.

Coach Dies

RALEIGH, N.C. (AP) — Everett Goss, former North Carolina State College basketball coach, died Saturday of complications resulting from hemorrhaging of the intestine.

Astros Rally In Ninth to Edge Braves

ATLANTA (AP) — A third-period passed ball by catcher Gene Oliver, a hit batsman and John Bateman's run-scoring single in the ninth inning gave the Houston Astros a 6-5 victory over the Atlanta Braves Saturday night.

Atlanta reliever Ral Nekro struck out Russ Staub, leading off the ninth, but the ball Oliver who had replaced Joe Torre behind the plate at the start of the inning, and Staub reached first base.

One out later, Hank Fisher replaced Nekro and hit Dave Nicholson with a pitch. Bateman then singled-to-left, scoring Staub, to knot a 4-4 tie.

Houston... .001 002 101-5 10-2 Atlanta... .000 002 002-4 10-1 Dierker, Rhoades (7), Carpini (1), Owens (1) and Bateman (1).

Municipal Golf Course and the Twin Falls girls took a close decision to Elko, 38-33, in Saturday's other match. Kent Brown of Elko fired the winning shot in the 200-yard dash.

The Len Frazier captured both the sprints for ISU, claiming the century in 9.6 and the 220-yard dash in 21.4, both breaking records. Jerry Livo, a freshman from Concord, N.H., won the 100, 440 and 880 yard runs and only third by Joe McCollum prevented a shutout in the 220-yard dash.

Other individual Goode won the 100, three from Twin Falls, a high school golf match.

State of the Crane Creek Country Club course.

Twin Falls' Mike Carter both picked up three points to pace the Vandals' victory. Carter stroked a 76-yarder to gain runner-up honors to Trull.

Other results found Idaho's Alex Talmont winning two and one-half points, while Bob Erickson picked up two points, Dave Driscoll, Twin Falls, one and Bill Cook, Twin Falls, one-half for the Vandals team.

880 yard runs and only third

by Joe McCollum prevented a

shutout in the 220-yard dash.

The Len Frazier captured

both the sprints for ISU, claim-

ing the century in 9.6 and the

220-yard dash in 21.4, both

breaking records. Jerry Livo,

a freshman from Concord, N.H.,

won the 100, 440 and 880 yard

runs and only third by

Joe McCollum.

Other individual Goode won

the 100, three from Twin Falls,

a high school golf match.

State of the Crane Creek Coun-

try Club course.

Twin Falls' Mike Carter both

picked up three points to pace

the Vandals' victory. Carter

stroked a 76-yarder to gain

runner-up honors to Trull.

Other results found Idaho's

Alex Talmont winning two

Prison Officials Seek Ways To Cut Construction Costs

BOISE (AP) — Idaho State Penitentiary officials and architects are looking for ways to cut

up to \$400,000 from cost of first construction at their new prison site to get work under way this summer.

The first project planned for the desert site southeast of Boise is a women's compound to relieve crowded women inmates' quarters at the prison near Boise.

The rest of the new penitentiary, originally expected to cost \$12 million, is to be completed over the next 10 to 15 years as funds become available.

The architect's estimate for the women's compound was \$300,000. But the lowest contractor bid received two weeks ago

was \$200,000 and five other bids were close to that.

Hubert Martin, who is in charge of coordinating the construction planning, said architects believe it will take them six weeks to two months to revise plans so the project can be put into a bid.

Part of the reason for the \$400,000 difference between estimated and bids, Martin said, was the construction hazard of guessimating.

When estimating cost of a project, when there is no similar project to use for a standard and no exact unit cost figures, no said estimators normally bid part of the work too high and part too low and the estimate about balances.

But on the prison estimate, Martin said, the guessimates

for the bulk of the work were on the low side.

He said he was confident the problem could be worked out.

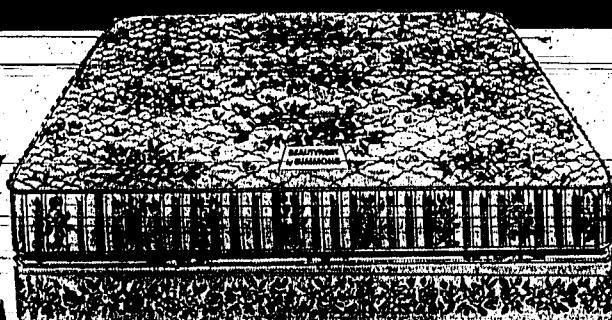

Two other problems, Martin said, are the rising construction costs and the fact that basic site and utility development makes any initial building disproportionately costly.

The planned women's prison, for example, will be designed to house 50 women, Martin said. But its administration and work buildings will be designed for a future capacity of 100 women.

So any estimate based on cost-per-inmate for the 50 women would be too low, Martin said. And he indicated a \$10,000-per-inmate cost was part of the basis for the low estimate.

Charlie Harrison, Shine Expert, Is Fixture of Downtown Section

By O. A. (Gus) KELKER
Times-News Feature Editor
Charlie Harrison has become as much a fixture in the mid-section of Twin Falls as the bank clock which consistently provides passersby with a choice as to just what they think the time should be.

But unlike the clock, Charlie has been tickling along these 35 years in the same job without at the age of 65, says he would rather keep on working at the same old spot because he would rather wear out than run out.

He is the shoe shine expert and porter in the Antiseptic Barber Shop on the 100 block of Shallow Street North. He knows everyone and everyone in town knows him.

Actually he is much more than that. Both he and his wife (they own their home at 451 Fourth Ave., E.) have voted in every election — national, state and local — since they moved here and have voted a strong "yes" on every proposed bond issue.

The next one up — the College of Southern Idaho bond election — will find both Mr. and Mrs. Harrison putting their vote on the "yes" side.

"It's just a natural thing to do," Charlie commented in a matter-of-fact manner. "We live here, the town has been good to us so we should be good to the town. That is the way we feel about it."

Charlie started life nearly 45 years ago back in Campbell, Tex. He came west, and to Eden as the dinner cook at the Mayors Hotel, then operated by Mrs. Mary Meyers.

He loved to cook but he also was of the opinion that more financial reward was necessary to keep him above water. As a result he left the hotel after four months and came to Twin Falls where he became caretaker of the Colonial Apartment, then operated by Louis and Cliff.

The arrival date in Twin Falls was Nov. 14, 1934 and with the exception of a trip back to Texas for a brief spell one nine months — a year in Los Angeles, he has been in Twin Falls since that time.

That jaunt to California did one thing, Charlie points out. It made him convinced that he wanted to move back to Twin

Falls and his wife felt the same way. First, in the California fall. He gets along with everyone. He sold real estate and one and likes them and the feeler worked for the Mayors Hotel. It is mutual. It is as easy as it was good work but it just wasn't the right place.

Times have changed somewhat. At least two of the first customers he acquired when he took over the shoe shine and porter work in the paving shop are still his customers. Frank Wagner and Eddie Hollingsworth.

They both work for the Twin Falls Title and Trust Co., the Sew and Save store and the Taber Insurance Agency.

Most of his time he works a seven-day week but now and then, when the weather is right,

he goes fishing or hunting in season. Where is his favorite fishing site? Magic Reservoir.

Continued on Page 28

Black shoes and brown shoes are about equally divided in favor these days, he comments, but the white shoes which were so popular 20 or 30 years ago are long gone. There are as many persons — mostly women — who have their shoes custom shined now as in the days before the do-it-yourself movement.

At the present time Charlie's place is one of two remaining establishments to survive in the community. Charlie has managed to keep his business going all these years (and probably the other fellow has too) because he lets his customers know he appreciates their business.

His smile is his trademark and now grey hair is developing.

CHARLIE HARRISON stands at the front door of the barber shop where he has been the shoe shine expert and porter for 35 years. He knows everyone and they all know him. A new officer or visitor has about as much chance of walking by Charlie's port without being observed as does an unidentified flying object hovering overhead. (Times-News photo)

FLYING HIS TRADE. Charlie Harrison has been around Twin Falls for about 2 years and has spent at least 35 years of that time on the same job. He's the shoe shine operator in the Antiseptic Barber Shop in downtown Twin Falls. Born in

Campbell, Tex., he started his residence in Idaho as a dinner cook at the Mayors Hotel, Eden. He still admits that he liked cooking but the money wasn't there and so he looked for greener pastures. (Times-News photo)

Local Education Television Experiment Praised by Both Students, Instructors

Educational television has come to a Twin Falls school on an experimental basis and from all indications the response from both teachers and students indicates it has a good chance of remaining.

The experimental project is being carried on at the special education school located at the Robert Stuart Junior High School. It was made possible through cooperation of Cable Vision, Inc., whose officials authorized installation and serving of a cable connection without cost to the school system. By means of this installation, programs from the University of Utah television setup at Salt Lake City are available to students here.

Mrs. Charles Ratcliffe, director of the school, said that response from both the students and instructors has been enthusiastic.

Coast-and Geodetic Survey Teams Engaged in Program

WASHINGTON, D. C.—American satellite triangulation teams in Greenland, Iceland, Norway, Scotland and Denmark are now engaged in a program aimed at increasing man's knowledge of the size and shape of the earth. It was announced today by the Environmental Science Services Administration (ESSA), U. S. Department of Commerce.

The satellite triangulation program in these countries, combined with a similar effort in Canada, will aid in determining

"We have found that if the students can see the lesson, so to speak, they learn more easily than by someone standing at the head of the class and reading to them that we would have available for use."

"We have also found that the locally instructors taking part in the educational television are very capable and the teaching aids they use are much more than we would have available for use."

"Right now we watch selected programs which include those dealing with science, literature, and social studies. We have found the programs a valuable aid to classroom teaching," Mrs. Ratcliffe said.

At present, there are 60 students participating in the special classes. The television set was donated to the school by W. L. (Bill) Reiter, former owner of Factory Radio and Television Co.

William Grange, local Cable Vision manager, said that the firm has offered to connect all schools with the system free of charge, if the school board members desire to utilize educational television in all schools.

He has conferred with Rex Campbell, director of educational television and radio for the University of Utah station.

Providing weather conditions

Continued on Page 28

STUDENTS IN PRIMARY and in the special education school in Twin Falls follow an educational television program while their instructors, including Mrs. Leona Schneidau, left, and Mrs. Charles Ratcliffe, who is also director, look on. The television set which the school has now in use was donated by W. L. (Bill) Reiter, former owner of Factory Radio and Television Co. The educational television programs from Salt Lake City are utilized every day. (Times-News photo)

RICHARD METZLER, instructor; and Mrs. Charles Ratcliffe, director of the special educational school at Robert Stuart Junior High School make final adjustments on television set as setup is made for start of class period. The educational tele-

vision is being used in conjunction with audiovisual materials and instructions. This is the first time of its kind in the local school system. (Times-News photo)

Suggestion

BUEHL — Milton J. Evans, employee at the Green-Giant Co. producers container division in Buehl, received \$25 for his suggestion which was approved by the firm's suggestion system committee.

Evans suggested that a

guard be bolted to the thin

blade cutting knife on the

slicer to keep the trim from

slipping its way around the

blade.

In answer to several cards and letters we've received regarding coins which are often enclosed in tight little holes have just a few

specimens known — holes drill

ed in it make it worthless as a

collector's item. It was the cus

tom many years ago to drill

other coinage (coins under fifty

cents) and use them on bracelets or as decorations. A great

many pre-1900 coins are found

this way and they are no good

to collector.

Also, coins which have been

bent, hammered, or otherwise

disfigured fall in the category of

junk — and you had best spend

them, if you can. The more fact

that the date is old, does not

signify the coin is valuable.

Condition is the most important

feature of value in any coin

new or old, except, as stated

the very scarce or rare coin

age.

Mrs. T. M. of Pocatello,

writes: "I have several one dollar

silver certificates in nice

condition which I have been

saving. They are dated 1935-E

and 1935-A. Are these bills thir

ty one years old, and if so,

what is their value over face?"

Answer: Your 1935A bills

could have been printed any

time between 1934 and 1945.

* * * * *

These notes bear the signatures of Julian and Morganthau, and that is the time of their tenure in office. The 1935E is comparatively recent being released under the signatures of Priest and Humphrey. They held office jointly from 1933 until 1937. Some of these 1935E series were still being released in 1960.

Neither of these issues is par

ticularly scarce although they are absolutely uncirculated you

might be able to get twice face

value for them. I would suggest that if your notes are uncirculated and crisp you would

best be advised to keep them

a while yet until the silver certificate is out of circulation.

If they are not absolutely

now there is very little use in

saving them, as they were issued

in such great numbers it will be many years before col

lectors will accept them in any

amount now condition.

(Questions of coins and cur

rency should be sent to The

Monday Box, c/o Times-News,

Twin Falls, Idaho.)

Troy National
LAUNDRY
VILLAGE

Mexico, her birthplace. The neglect and malnutrition she incurred in her first year of life is now only a bad memory for her parents and Annie Fay is one of the cutest and happiest girls anywhere. Her sister, Shannon, only 1½ months different in age, helps with the family barbecue. (Times-News photo)

W W W W W W W W

Life in MAGIC VALLEY

April 26 was a very important date in the life of a little GOODING girl, Annie Fay Russell, to say nothing of her parents, Mr. and Mrs. Louis Russell, and her sister Shannon. On this date, in a ceremony at the Elmore County Courthouse in SMOKESTON, Annie became a naturalized citizen of the United States. Back of these few simple facts, there is a very touching story, and for her parents, a lot of other things.

Annie, who is now 5, was adopted by the Russells when she was 17 months old. At that time, through neglect, she weighed only 10 pounds. Mrs. Russell said she was unbelievably thin, with a protruding abdomen and a sunken chest. She said her arms were as big around as her, Mrs. Russell, "thumos."

She wasn't able to crawl on her hands and knees as most babies do, because of her tummy, so she crawled on her hands and feet. She had to learn to crawl all over again. Mrs. Russell said feeding wasn't any problem; just getting Annie to quit crying proved the biggest problem. Since she would invariably overeat, the doctor advised feeding her eight times a day, much as one would a baby.

She had her regular three meals with the family, and then meals in between, usually jelly or pudding. Her mother said she was on a bottle, but she soon took her off, because she ate too much.

At the end of month, she had gained six pounds. As was to be expected of a child who had been mistreated as Annie had, she had nightmares. Mrs. Russell said she would go right to sleep but as soon as she left the room, Annie would wake up screaming.

There was also another very large obstacle to overcome that is not usually prevalent in adoption cases, since Annie is half Mexican and half Indian, she could not understand her parents and they could not understand her, so for a few months communication was strictly a matter of love and attention.

Few Employees Pay Full Cost of Group Insurance

NEW YORK CITY — Few employees coming under new group health insurance programs will be paid by insurance companies, pay their own premiums, the Health Insurance Institute reported yesterday. The institute was reporting on its sixth annual survey soon to be published, "Group Health Insurance Policies Issued in 1965." It showed that in 1963 contracts examined, which protected 234,717 employees and 486,700 dependents, only 24 per cent of the employees paid the full cost of their protection.

The largest proportion of employees in the sampling, 60.1 per cent, had their protection paid for entirely by the employer, while 47.8 per cent shared the cost, in some proportion, with the boss.

Forty-three companies contributed data to the institute's survey. These firms accounted for over 78 per cent of the group health insurance written by companies in 1964.

The institute said that since it began its survey in 1960, the trend has been for a greater proportion of the employees to have their group health insurance paid for in full by the employer. In 1960, 33.8 per cent did not contribute toward their

insurance.

BUHL—Mrs. Roger Vincent, Pilot, Mrs. Idaho for 1965, reviewed highlights for her experiences in state and national competition when she spoke at the Buhl Rotary Club luncheon meeting Thursday noon in the R and R Cafe banquet room.

She was introduced by Everett Martin, program chairman. Robert Wigington, Twin Falls, also was guest. Visiting Rotarians were Russell Bennett, Twin Falls; Bill Womble, Spokane, Wash.; and G. C. Jeppesen, Bay City, Mich.

During the business meeting it was voted to sponsor a delegate to Boys' State. The annual father-daughter banquet was announced for May 12 with William Nungester chairman in charge of arrangements.

Ozite Outdoor-Indoor Carpet made with Vectra

so durable it's used outdoors—so attractive it's used indoors!

It stands to reason that a carpet made to be used outdoors around swimming pools, on patios and terraces and on boat docks should be great indoors. And it is! Ozite's carpet is impervious to moisture (can be used below ground level); won't rot or mildew, resists staining... withstands sun-fade... is non-static and non-harmful to man and pets. Outside it stands up to rain, sun and heat, can actually be hose-cleaned. Ozite Outdoor-Indoor Carpet is made of Vectra® polypropylene fiber. Ozite's new fiber enables Ozite to guarantee this carpet to do all that this ad says. Available in 9 beautiful decorator colors in widths up to 12 feet, only.

MAY H. BUTTS, right, new president of the Magic Valley Pilots Association, is congratulated by Fred Wanzenried, Twin Falls, immediate past-president and former airline pilot. Looking on, second from left, is Merrill Swanson, Twin Falls, who

Magic Valley Pilot Group Formed To Upgrade Individual Flight Habits

Fellowship in an important thing in everyday life, but members of the Magic Valley Pilots Association find a program designed to upgrade flight technique also is important.

As a result, the members have voted to participate in a series of "flight breakfasts" on the first day of one month, and each time at a different airport.

After an early morning flight

from their home field to the field designated as "fly-in" center for that particular month, a breakfast (usually downtown) precedes a business session featuring a serious study involving upgrading of flying techniques.

For instance, 52 association members flew to the Gooding airport, arriving in 17 planes. Through courtesy of Gooding fliers they were trans-

ported to the Lincoln Inn where the business session on survival in mountain country followed the usual breakfast.

The study featured an air film provided by Maj. E. H. Butts, the Air Force Civil Air Patrol liaison officer stationed in Twin Falls. He explained that such knowledge is especially important to those who traverse so much mountain country where rescue might be long in coming.

Among other things, pilots were urged to carry a standard, but small, survival kit in their planes.

The business session at Gooding also included annual election of officers, with Maj. Butts getting the nod as president. He succeeds Fred Wanzenried, Twin Falls, in that post.

Other officers elected include Richard Walker, Jerome, vice-president; Edwin Woods, Twin Falls, secretary; Ray Barlow, Burley; Dr. Catherine Stapp, Gooding; Ned Tanner, Oakley, and William Powell, Twin Falls, directors.

Members believe that continued flight training through the period of activity is vitally important to civilian pilots because, unlike the military, spe-

cial programs are not provided. It is a sort of plan to set their own standards through mutual help.

Membership is diversified, including a wide range of regular day occupations and various types of flight licenses. Ages also vary.

Oldest member is Ed McCarty, Kimberly, who owns and flies his own aircraft and is 80 years old. As Idaho's oldest

pilot, he is often the target of questions.

To the usual one of "Just how old are you?" McCarty smiles and says, "I'm 80 and holding."

Youngest active member is

Robert L. Willis, Twin Falls, He is 25 and also owns his own plane.

The Gooding session attracted members from Oakley, Castleford, Burley, Buhl, Boise, Jerome, Kimberly, Twin Falls and

now being designed and a flight

course will also be available.

In May the fly-in will in all probability be to Boise or Burley. Officers select the site in advance and members are notified.

MAGIC VALLEY PORTRAIT . . .

Norman Hurst, Declo, Is Teacher Who Believes in Importance of His Job

DECLO — An outstanding example of a teacher is Norman F. Hurst, Declo.

"Upon choosing a teaching career, you will find that in performing this service for others, you will derive a great satisfaction from working with the young people," he stated.

Hurst, who has been a world history and American government teacher at Burley High School the past nine years, was born in 1929 in Zurich, Month and moved to the Declo area in 1932 with his parents, Mr. and Mrs. Winfield Hurst.

Raised in a LDS home of 12 children, he learned how to "give and take" and was one of 13 to graduate from Declo High School, which is quite a rarity in this day of small families and much moving about.

For two years he attended the Southern Idaho College of Education in Albion, afterward serving a two-year mission for the LDS Church in the Southern States mission field.

Recently his parents completed a mission in almost the same area.

Upon his return, the U.S. Army beckoned and found him self-cervicing in the Quartermaster Corps in Bad Kreuznach, Germany, a resort town similar to our Lava Hot Springs.

However, he feels this as an "almost educational period" as he worked very closely with the German people. Talking with men who served in the military and others in all walks of life gave him an insight into the problems of postwar Germany at that time, he notes.

Being stationed in Germany, he was presented an opportunity to tour Europe. As Hurst had always been interested in European history, he knew the special places that he wanted to see.

Upon one occasion in July, 1957, he was in Holland at the time an International P.E.C.C. Conference was being held.

He happened to strike up a conversation with the chief delegations from Germany and spent several most stimulating hours with him conversing on the problems of Germany and the European countries.

Being a "farm-boy" at heart, he returned to try farming in the Declo area upon his discharge. In 1958, he rented the Joe Walker ranch and soon realized that the time of raising a family and getting ahead on a small farm had vanished.

During the summer he had

NORMAN F. HURST

taken a group of Boy Scouts to a campsite where Declo, Ia., Wrigley, who was at that time superintendent of Cassia County Schools, was also.

Wrigley observed the way Hurst handled the boys and at a later time a contract was offered him to be principal of the Declo Grade School. After he signed the contract, he decided perhaps this was the time he should continue his schooling for his degree.

In four quarters, Hurst earned more credits than one would normally earn in two years of college at Utah State by extension courses and home study courses in summer.

By farming during the summer, the G. J. Bill, and working for a construction company for 75 cents per hour, he and his wife and two babies managed.

This kept his wife, the former Joy Rickling, whom he married in the Salt Lake Temple in 1952, busy at the typewriter assisting him with his load of studies.

In March, prior to his June graduation, he was offered a teaching position at Burley High School.

In addition to his position at the high school, he also has taught bookkeeping and typing for the adult education classes offered in the evening.

He is spokesman for the Idaho Education Association in the Cassia County School system.

He is a member of the supervisory committee of the Cassia County Teachers Credit Union.

The fall of 1966 will find Hurst with an added responsibility, as he will be president of the 4th District I.E.A., which includes all of Magic Valley.

He recently has been appointed to serve on the I.E.A. State School and Finance Administration committee, which formulates policies for teachers all over the state. In this position,

he will be president of the 4th District I.E.A., which includes all of Magic Valley.

Ladies' Night Observed By Twin Falls Rotary

BY NORMA HERZINGER
Women's Page Editor

The lady of the house, often referred to as the "better half," was guest of honor at a spring social hosted by members of the Twin Falls Rotary Club.

The event marked the annual Spring Ladies' Night observance, when all thoughts are turned toward the Rotary Annas, giving them special recognition and acclaim.

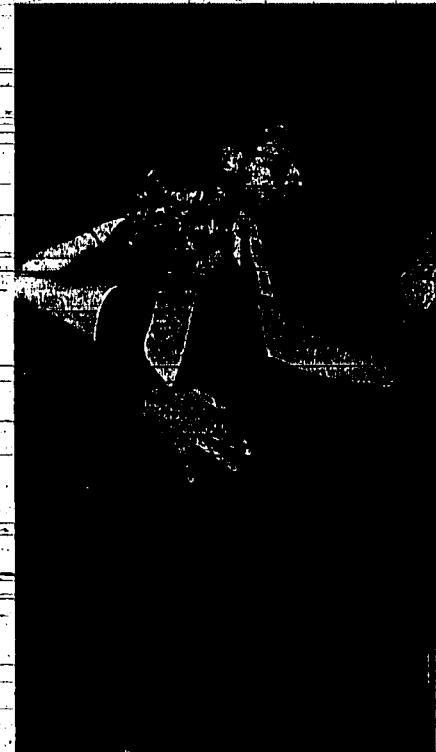

An evening of fun, relaxation and fellowship with friends and neighbors best describes the social which was held at the Blue Lakes Country Club. The evening's activities began with a social hour, followed by dinner and dancing to the delightful music of Arlon Bastian and his orchestra.

Harold E. Gerber, master of ceremonies, added a bit of wit and humor to his talk as he introduced the guests and gave the welcome.

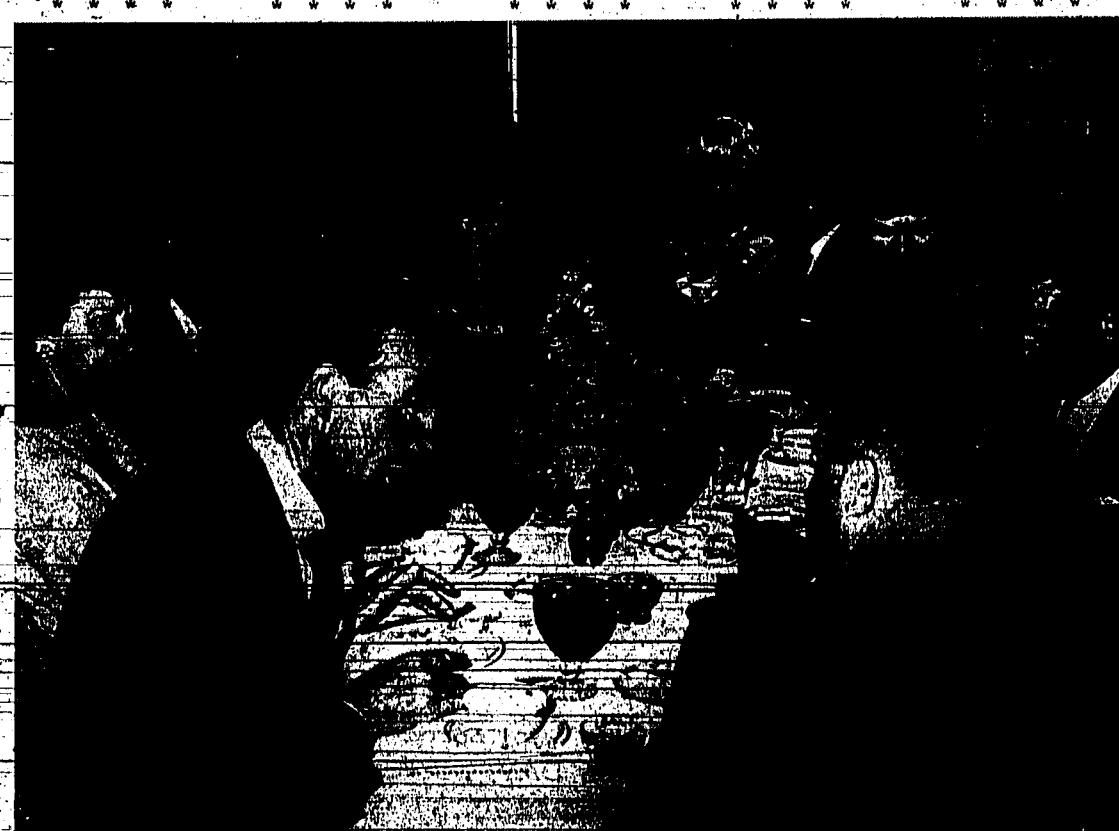

The dinner tables were covered with white and centered with colorful spring flower arrangements befitting the winter-type weather of the evening. Although spring was temporarily interrupted by unpredictable Mother Nature, the atmosphere for the social was warm and friendly.

The Rotary Club honors the Rotary Annas at three socials each year, usually one during the Christmas holidays, a spring gathering and a lawn party. The Rotary entertainment committee is composed of six members, with E. R. (Ted) Smith as general chairman. Two members of the committee are in charge of each social, with Robert Harvey and Russell Cunningham making arrangements for the spring event.

Officers and board members of the Twin Falls Rotary Club include Richard Cook, president; Hugh Call, first vice president; James Kinney, second vice president; William Langley, Dan Obenchain, Smith and William Powell.

SINGLED OUT for a picture while dancing at a social in Twin Falls are Mr. and Mrs. Robert Harvey, Harvey and Russell Cunningham were in charge of arrangements for the annual Ladies' Night observance. (Times-News photo)

NUMEROUS ACCOMPLISHMENTS of her six children were listed by Mrs. John Unzicker, Buhl, as the reason for her netting the title of Idaho Mother of the Year for 1966. The National Mother Award will be presented during the International Awards Banquet at Wednesday in Washington, D. C. (Times-News photo).

Mother of Year Attributes Honor to Entire Family

By RONNIE BURNS

BUHL—The numerous accomplishments of her six children were listed as the reasons for netting Mrs. John Unzicker the title of Idaho Mother of the Year for 1966, she stated in a recent interview.

In reviewing the history of the family, giving a person an insight of their scholarly achievements and leadership abilities.

The oldest of the six is Lt. Leoward John Unzicker, 27, who is a Navy jet pilot stationed at McMillan Air Force Base, Florida, as an exchange pilot. He is a veteran of 75 combat missions in the F4 Phantom II and has just returned to his home in Florida from his second tour of duty in Viet Nam.

During his high school years he was a member of the National Honor Society, served as class president for three years and was active in sports. He attended the University of Idaho and was graduated in 1960 with a degree in business administration. While at the university he earned the Conval Award of the Naval Reserve Training Officers Corps in which he served four years. He was a member and scholarship chairman of Delta Tau Delta Fraternity.

Lt. Unzicker is married to the former Robert Parry, a Navy nurse, and has a three month old daughter, Mrs. James Terrill (Winifred Irene Unzicker), 25, a science teacher at Nicolas Junior High School, Fullerton, Calif. She was graduated from the University of Idaho in January, 1962 and completed the year teaching homemaking in junior high schools in Meridian and Eagle. She was affiliated with the Alpha Phi Sorority, serving as scholarship chairman and second vice president. She was also a member of the Alpha Lambda Delta, the Phi Upsilon Omicron, the Home Economic Club and graduate study toward her mas-

ters degree. She was head of the home economics department of Dale Junior High School, Anaheim, was a sponsor of the ninth grade girl's service club and was representative of the Union High School district to the New Teacher's Conference in 1963 at Los Angeles.

She's held her current position at Bakerfield since her marriage to Capt. Etcheverry in July, 1965. Her husband, a helicopter pilot, is stationed in Viet Nam serving his second tour of duty there.

Mary Lou Unzicker, 21, is currently a junior at the University of Idaho working toward a business education degree. She's held her current position at Bakerfield since her marriage to Capt. Etcheverry in July, 1965. Her husband, a helicopter pilot, is stationed in Viet Nam serving his second tour of duty there.

Mrs. Terrill was an honor scholar in the local high school and was very active in school activities, and organizations and served as homecoming princess.

Mrs. Louis Etcheverry (Eileen Eileen Unzicker), 21, teaches English in junior high school in Bakerfield, Calif. Prior to that she's taught English and homemaking in Anaheim and Fullerton, Calif. She was active in Buhl High School activities, was an honor student, senior homecoming princess and valedictorian of the 1965 graduating class.

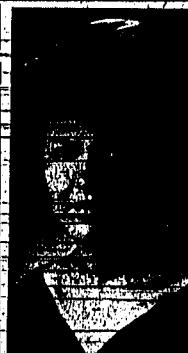

Mrs. Etcheverry attended the University of Idaho with a general scholarship. There she served as president of the Vandales Drill Team, was homecoming queen attendant, Delta Sigma Phi-Dream Girl attendant, Holly Queen attendant, Alpha Phi pledge president, an Alpha Lambda Delta officer, a Home Economics Club officer, and a member of Phi Upsilon Omicron. She was named to the ten top senior list and received the Outstanding Senior Woman Award of the American Association of University Women.

Mrs. Etcheverry received her bachelors degree cum laude in homemaking from the university in 1963 and has begun post graduate study toward her mas-

ter's degree. She was head of the home economics department of Dale Junior High School, Anaheim, upon graduation from junior high school he received the outstanding citizen award. He is a member of the Buhl High School National Honor Society. Has served as freshman senator; secretary of Boys' League and the Key Club, home room representative and has been selected president of the student body for the 1966-67 year.

Duane has lettered in football, basketball, and baseball. He is a past president of Chi Rho, a youth group of the First Christian Church, and is a former member of the church's Boy Scout group.

These are not all but just some of the Unzicker family accomplishments. Each and every

Miss Coulam, Mahoney Plan December Rites

of the organization. Mrs. Larson announced the next national meeting will be at Colorado Springs, Colo., in January. An outstanding event for the CowBelles will be a luncheon at the Air Force Academy, Hawaii, which has invited the association for the national convention the following year.

Mrs. Thomas Olmstead, beef promotion chairman, displayed materials available for distribution to promote the use of beef. She announced that a beef raffle will be given to the father of the first new baby born on Father's Day at both the Magic Valley Memorial Hospital and St. Benedict's Hospital, Jerome.

It was decided to give a \$1 scholarship in Twin Falls County and Jerome County for Club Congress, at Moscow, for the best demonstration using beef. Scholarship winners will be announced at each fair.

Members of the CowBelles decided to participate in the Frontier Days parade to be held this summer. They will sponsor a beef cooking school at a later date.

BRIIDGE PLAYED

SHOSHONE-OK Bridge Club met at the home of Mrs. Roger Wozniak. Guests were Mrs. Max Coffey, Mr. Joe Parage, Mrs. Gordon Sorenson and Mrs. Betty Piper. Prizes were won by Mrs. R. L. Baumann, Mrs. Piper, Mrs. Sorenson and Mrs. Jack M. Murphy.

Prizes were distributed under the direction of Mrs. Brim, assisted by Mrs. Holland Houburg and Mrs. Robert Todd.

Mrs. Larsen spoke on the growth in membership of CowBelles on the local, state and national levels. She is a charter member of all three levels.

Presbyterian Senior Banquet Set May 18

JEROME The date for the Senior Banquet for members of the graduating class who are Presbyterians is set for May 18. It was announced at circle meetings of the United Presbyterian Women's Association.

The program for all circles was from "Mission in Decline," chapters four, five and six.

Circle No. 1 hostess was Mrs. Clark Heiss, assisted by Mrs. Estelle Ricketts. The program was given by Mrs. Francis Boyce. Duty for this circle is to provide flowers for the sanctuary.

Circle No. 2 hostess was Mrs. Donald Snow, assisted by Mrs. Elliott Brown. The program was presented by Mrs. J. D. Noland. Members of Circle No. 2 will host the general meeting set for Thursday.

Hostess for Circle No. 3 was Mrs. Sharon Albertson, with Mrs. George Davis in charge of the program. May duties of the group will be to assist the church service committee. A guest of the circle was Mrs. Laona Smith.

Circle No. 4 hostess was Mrs. Dale Burkhardt, assisted by Mrs. William Storer. Mrs. C. K. Ricketts presented the program. Each circle has been asked to raise \$15 as part of the sewing project. Members will donate \$1 each to help raise this amount.

Gene Fowler

will be featured speaker at a forthcoming clinic for the Magic Valley Affiliate No. 4, Idaho Hairdressers Association. The Fashion Tress Clinic is set for 7:30 p.m. Wednesday at the Rogerson Hotel.

Fowler, Stockton, Calif., is western region sales representative of Fashion Tress Inc. The clinic is set up for all beauticians and students.

LT. AND MRS. WILLIAM F. WARNER JR.

Judith Baker,
Warner Marry
In Minnesota

Judith Marie Baker, daughter of Mr. and Mrs. Robert M. Baker, Granite Falls, Minn., was married to Lt. William F. Warner Jr., son of Mr. and Mrs. William F. Warner, Twin Falls, April 2.

The double ring ceremony was performed by Rev. Jerry P. Hawkins in the Granite Falls Lutheran Church.

The bride was attired in a floor-length gown of taffeta overlaid with nylon. The bodice was of plencon lace which was also used in a wide band at the hemline of the gown and on the train. She carried white sweet heart roses and bridal ivy. Her jewelry was a diamond pendant, a gift from the bridegroom.

The bride's attendants were Mrs. James D. Moe and Cynthia Ann Baker, sisters of the bride, and Susan Sarnecki. Daniel Slavin, Boise, was best man. James D. Moe and John Warner, brother of the bridegroom, were groomsmen.

Mrs. James Gowanlock, the former Karen Warner, Salem, Ore., was a special guest at the wedding.

Following the ceremony a reception was held hosted by the bride's parents at the Granite Falls Country Club. After a wedding trip, the couple will reside at 110 Banffy, Colorado Springs, Colo.

Area School Dance Held

WENDELL—The Freshman Sophomore Hop was held in the high school gymnasium.

In charge of arrangements were Jeannie Jones, freshman class president, and Roger King, vice president; Jack Lancaster and Inez Ydarraga, president and vice president of the sophomore class.

"Clen's Mood" was the theme.

Music was provided by the Imprints of Jerome and Wendell.

Junior Prom Held in Declo

DECLO—Chosen to reign at the Declo Junior Prom were Sharon Matthews and Barry Redman, who were crowned by last year's royalty, Judi Ward and Gene Fries.

Debbie Smyers, daughter of Mr. and Mrs. Norman Smyers, and Randy Sutton, son of Mr. and Mrs. Verlon Sutton, were crownbearers and were attired in the class colors of red-and-white.

The theme song, "Sweetheart Tree," was sung by Paul Coltrin, accompanied by Mrs. Ira Coltrin. A vocal solo was presented by Eta Smith, accompanied by Sharon Sutton.

LDS Primary Family Hour Is Observed

RICHFIELD—"The Miracle of a Teacher" was the title of the Primary Family Home Hour observed at the LDS Church. Mrs. Clifford Dayley, Primary president, welcomed the parents and families.

Participating in the observance were Elmo Patterson, Mrs. Ralph Riley Jr., Wendell King, Mrs. Jennie Thomas, Janne Swainston, Mrs. Grant Hawes and children, Mark Bowers, Carolee Bowers, Bishop Jay Ward, F. M. Crowther, Lael Haslam, Toby Dayley, Michael Bowers, Rich Brown, Dustin Jensen and Craig King.

Mrs. Lyle Deeds was director of the music and Cathy Flavel, pianist.

Prior to the family hour, Bishop Ward released Verlyn King as YMMA superintendent and Wendell King as counselor. Martin Allred was sustained as new YMMA superintendent and Wendell King and Morris Swainson as counselors.

Cash Awards Scheduled by Newcomers Unit

Three Twin Falls units have been selected by the Welcome Wagon Newcomers Club Board of Directors as recipients of cash awards this year. These include the YMCA-YWCA, the Civic Auditorium Association and the Twin Falls committee on Employment of the Handicapped and Older Workers.

While Newcomers Club is not money-making organization, it has a policy to complete one money-making project per year to give to a worthy local cause," according to Mrs. E. H. Hinton, Welcome Wagon hostess.

The Rogerian Hotel Roundup Room is the setting for the installation luncheon at 1 p.m. Wednesday, when formal announcement of the gifts will be made by Mrs. James Penton, president. Reservations can be obtained by calling Mrs. F. O. Laatsch, 733-9608. A comic parody, prepared by Newcomer board members, will be presented prior to installation.

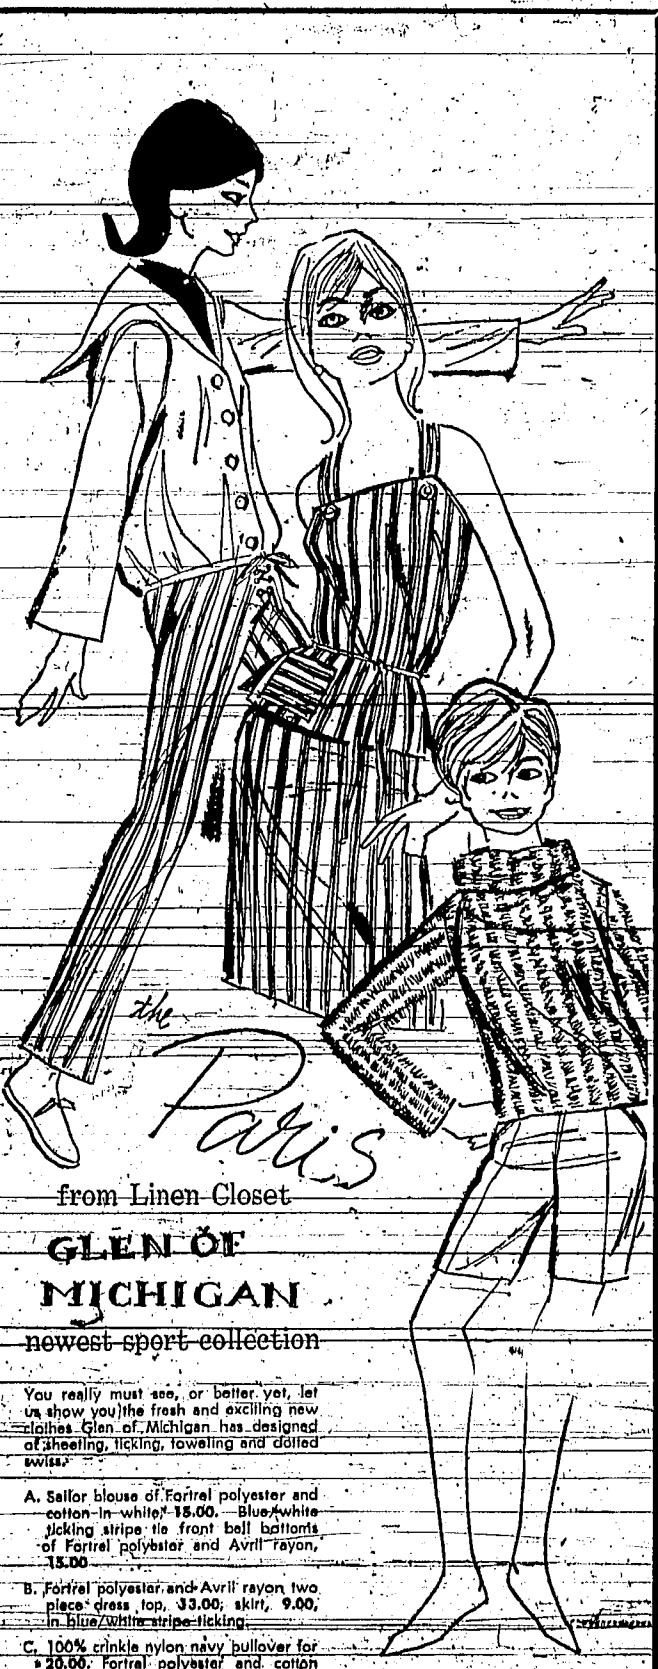

Officers include Mrs. Donald Pfeiffer, president; Mrs. Thomas Nelson, first vice president; Mrs. Jack Smith, second vice president; Mrs. Robert J. Smith, recording secretary; Mrs. Elbert Luhn, treasurer; and Mr. John Holden, historian. Newcomer board members who met at the home of Mrs. Robert Morgan, were advised by Mrs. H. Goetz, bowling chairman, that this group had concluded the bowling season and will disband until fall. Any woman who would like to join the club may contact Mrs. Richard Meadows, 744-3800, to make arrangements to play this summer season.

A final trial for Newcomer Club members—of course—will be held at the YWCA May 19. Mrs. Keith Woldenheft announced that new cards have been purchased by the Newcomers Club to supplement current supplies. In charge of arrangements, in addition to Mrs. Woldenheft, are Mrs. Robert Morgan, Mrs. Dan Gillies and Mrs. James Fine. Reservations or bridging may be made with Mrs. Woldenheft, 733-9504 or, if possible, with Mrs. Robert Morgan, 733-7891.

Knitting enthusiasts plan to continue as long as there is member interest. The summer will meet at 1 p.m., May 10, the home of Mrs. Robert Miller, east of the city. For more directions, call Mrs. Donald Jackson, knitting chairman, 33-2032.

At a morning kaffeeklatch yesterday—25, 1863—67 officers and newly appointed board members were welcomed by the outgoing board. The party will be held at the home of Mrs. Donald Jackson, 373 Atkins Drive. Correspondence may be addressed to Mrs. Bernard

Missionary Presents Talk At Conference

KIMBERLY — "What we do here makes the difference in how successful their work is over there," Mrs. Lawrence Robinson, Sunia Monica, Calif., Missionary to Congo, stated at the 25th annual session of the Idaho Conference Woman's Society of Christian Service Wednesday afternoon.

Mrs. Robinson chose the conference theme, "Catch the Flame," as her topic.

"When we have rock demonstrations here, they want to know why such things like that happen in a Christian nation. They question our right to send missionaries there — they feel they are needed here."

She mentioned the strict set of rules which women must commit themselves to before becoming a member of the Woman's Society. One of them, is to take their vows before the church congregation.

They are very dedicated to their commitments. These rules pertain to their church activities, attendance, homelife and treatment of strangers and are much more demanding than ours, she asserted.

She further stated that to work with these people, one must ask one's self, "Do I really love them?" for they instinctively know.

Mrs. Lawrence, who with her husband has had three terms in Congo, mostly the Katanga area, working in Elizabethville and Leopoldville, plan to return there in September.

In her address Wednesday evening after the banquet, she spoke on her activities and work in the Congo. She noted there was a change in the status of the missionary. Americans are no longer in charge, but work under the Congolese.

Now all the missionary can do is "Open the door, then get out." They are called "tech-nech-shi-ons" (technicians) by the nationals, rather than missionaries. She noted, also, that many missionaries and their families are being accepted back in the areas where there has been considerable unrest.

Monday afternoon and evening the Idaho conference officers met to make final plans for the sessions. A coffee hour during registration and the evening supper was held by the women to the Kimberly-Hansen, Murphy, WSCS, district president, presiding.

During the luncheon hour held at the Christian church, Winona Campbell presented program on anti-poverty. Decorations on the "Rich and Poor" were featured. Mrs. Robert McNeil planned the decorations. A plea for the "Methodist Women" and "World Outlook" magazines also was made through a humorous skit.

Registration for the conference was held Tuesday afternoon with a banquet held at the Lutheran Church in the evening. Mrs. Paul Ludlow, conference vice president, presented a program on the World Federation of Women.

Several women, dressed in costumes of various nations, decorated the "Tree-of-Life."

Tables were decorated with dolls dressed as different nations and centerpieces of yellow candles and spring flowers. A table was devoted to differently costumed dolls, representing all nations, as a featured point of interest. Mrs. Warren McConell gave the prayer.

Mrs. Alberta Humphrey and Mrs. Sandra Reinhardt, both Kimberly, provided organ meditations preceding the sessions. The Kimberly-Murtaugh Choir sang an anthem at the Tuesday evening session. Mrs. Robert Denton was the director.

Wednesday morning Rev. Wendell Coe, district superintendent, Boise, gave the invocation and Rev. Robert McNeil, host pastor, the meditation. Both pastors administered the communion rite. Mrs. Marvin Pearson, Spokane, WASH.,

Mrs. Carl Turner, president of Murtaugh WSCS, welcomed friends at the regular conference beginning session. Mr. Lloyd and Mrs. Ralph Nelson, Kimberly WSCS president, presented offerings for missions to conference and district personnel.

Those receiving offerings were Mrs. Earl Jester, conference president; Mrs. Nelson, Mrs. Turner, Mrs. Robert McNeil, Winona Campbell, Mrs. Wendell

DISCUSSING CLOTHING worn by the Congolese women, from left, Rev. and Mrs. Robert McNeil, Kimberly; Winona Campbell, deaconess, and Mrs. Lawrence Robinson, during

Beta Sigma Phi Unit Officers Are Elected

BURLEY — Officers were elected for Alpha Zeta Chapter, Beta Sigma Phi, during a meeting at the home of Mrs. Leonard Rehn. Mrs. Robert Carrier was co-hostess.

Officers elected include Mrs. Robert Hillard, president; Mrs. Donald Janak, vice president;

Mrs. Gary Jackson, recording secretary; Mrs. Karelle Dickson, corresponding secretary; Mrs. Rock Jones, treasurer; Mrs. Robert Brock, city council; Mrs. Lu Morton, city council alternate; and Mrs. Ted Smith, alternate.

It was announced that the Rehn and Mrs. Carrier,

hosted the meeting. The new officers will be installed at the recent election in the fall.

Mrs. Donald Janak was elected to represent Alpha Zeta Chapter at the Quadri-State Convention, Boise, as candidate for quadri-state girl of the year. The chapter will pay her expenses to attend the convention.

The next meeting is May 12 at the home of Mrs. Smith. Refreshments were served by Mrs. Smith.

It was announced that the

Mother's Day Breakfast will be held May 15 jointly with XI Omega Chapter at the Ponderosa Inn.

The lesson, "The Good and The True," depicting the lives of Abraham Lincoln and Jesus Christ, was given by Mrs. Smith.

TWIN FALLS

SUNDAY, MAY 1, 1966

Captain EASY

by LEE KEEL TRUSS

THE ROARING WATERS TUMBLE AND SPILL INTO THE COUNTLESS LAKES...

LUCKY FOR US, SQUAW LAKE USUALLY FREEZES DEEP, BUT WE CAN'T PRESS OUR LUCK!

RIGHT! THE ICE WILL HONEYCOMB ANY DAY!

I'VE BEEN RUNNING THE ENGINE EVERY DAY TO KEEP THE BATTERY CHARGED!

APIER A MINOR REPAIR, THE BIG BLADES BEGIN TO ROTATE AND THE SMALL JETCRAFT IS AIR BORNE...

BLAZES!

JUST IN TIME!

ELsie, DO YOU THINK YOUR DAD WILL GIVE ME MY OLD JOB BACK?

I'LL SEE TO IT PERSONALLY THAT HE DOES, PAUL!

LATER THAT DAY...

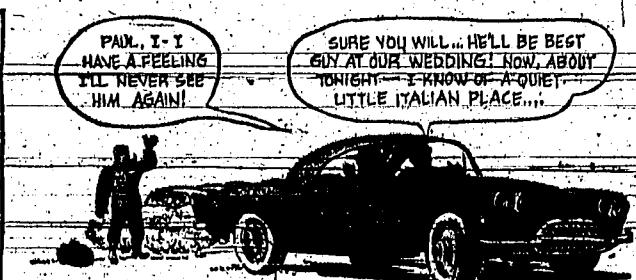

I'LL BET PAUL LOOKS SHARP IN CITY FEATHERS, EASY!

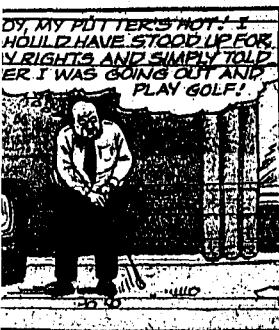

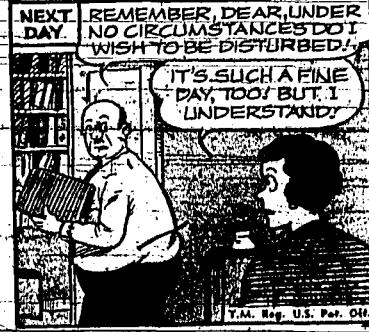

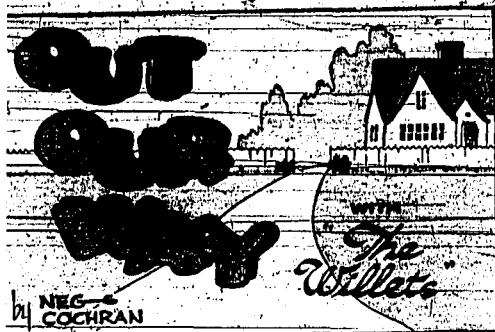

WISH YOU'D JOIN ELSIE AND ME FOR DINNER!

NOT THIS TIME! I'VE GOT TO REPORT TO MR. MCKEE!

PAUL, I-I HAVE A FEELING I'LL NEVER SEE HIM AGAIN!

SURE YOU WILL... HE'LL BE BEST GUY AT OUR WEDDING! NOW, ABOUT TONIGHT—I KNOW OF A QUIET LITTLE ITALIAN PLACE...

THE SPY

VIC FLINTY JOE THUNDER

When Joe Thunder saw Canish and Bockie Dick at the dog track, he knew what was happening to Eyeball's inheritance.

BE REASONABLE,
THUNDER! IF NO. 7 WINS,
PRINCE BRECKINRIDGE
EYEBALL--WILL GET
HIS MONEY BACK!

EH?
WHAT
IS THIS?
I'LL
BET!

I'M NOT
GAMBLING.
THAT NO. 7
WINS!

Meanwhile,
Eyeball
reached
Harry's
hand.

Meanwhile,
T-B.G.
in its
mysterious
way to
bring THE
GOOD GUYS
and T.B.G.
(The Bad Guys)
once more
into
conflict

THE RISK IS
NOT GREAT, AND
THE FEE WILL
BE LARGE!
BESIDES, WHO
WOULD SUSPECT
THE SCREEN IDOL
OF MILLIONS,
ROCK SALT?

YOU CAN
DEPEND ON ME,
SIR HARRY!

IT WILL BE
MY GREATEST FILM
EPIC, JOE THUNDER!
AND WITH THE
PRICELESS ANTIQUES
I NEED YOUR
TECHNICAL ASSISTANCE.
ALSO I NEED A
DETECTIVE TO
WATCH THEM!

MAIL THIS CARD TO GET
FULL FACTS ABOUT HOW YOU CAN
COLLECT UP TO \$157.50 A WEEK
WHILE YOU ARE LAID UP
IN THE HOSPITAL.

How would you pay your household bills—and other regular living expenses—if you suddenly found yourself laid up in a hospital bed with no money coming in?

No matter what kind of hospital insurance you may have . . . no matter how much daily room and board coverage it provides . . . no matter how much it pays for various surgical operations, etc. . . . it was never intended to take the place of a weekly pay check.

That's why thousands of people, to whom "laid up" means "laid off", are protecting themselves—and their incomes—with an American Republic "Direct Cash Plan."

Protection under the new American Republic "Direct Cash Plan" is available in low-cost protection "units" to fit the needs of any individual or family (see box above).

Remember, this is tax-free money—paid direct to you—when you are in the hospital due to accident or illness.

For more complete facts, see other side of this sheet.

Check how many ways you could use this Amoricare™

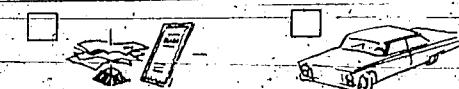

"Direct Cash" while you are in the hospital:

Food for your
family

Clothing your
family needs

Rent or Mortgage payments,
utility bills, life insurance
premiums, credit accounts

Car payments
and upkeep

Help pay medical bills even if
you are enrolled in Medicare
Medical Insurance Program

Private nurse, if not
provided for by your
regular insurance

Private room, if not covered
by your present insurance

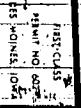

Transportation to another
city for special hospital
treatment

**IF YOU DO NOT USE THIS CARD,
PLEASE GIVE IT TO A FRIEND**

If you are under 35, you may just be getting a good start in life. No matter what kind of hospital insurance you have, it won't pay your household bills and other family living expenses. With rent or mortgage payments on one thing, clothing, bills and all the other expenses young families have, a serious accident or illness might "wipe you out" financially.

Now, whether you are 25...55...or 85...when you are sick or injured...

If you are 35 to 65, your children may now be at the costliest stage of their schooling. Your living expenses are probably higher than ever, and your chances of going to the hospital are increasing every year. Read how an American "Direct Cash Plan" can keep you from having to live on your savings if you have to spend weeks—or even months—in the hospital.

If you are 65 or over, you can look forward to having Medicare, but you will still have to pay part of your hospital bills—and you will also have other bills to pay. An American Republic "Direct Cash Plan" can provide money for everyday expenses and also for doctor bills and hospital costs—including private room and private nurse—that Medicare won't cover.

COLLECT \$52.50 + \$105.00 OR \$157.50 A WEEK

LIVE LIKE WIGGLES, WHILE IN THE HOSPITAL

Whether you are under 65 and have regular hospital insurance—or over 65 and looking forward to Medicare—it will pay you to read the facts about the new "1-2-3 Direct Cash Plan."
Discover how you could go to the hospital and come out with money left over.

HAT IF YOU should wake up to find yourself flat on your back in a hospital bed—and be there for weeks or even months? Think of all the things that \$2,000 or \$5,000 or \$8,000 in extra spendable cash, over and above your hospital insurance, could mean.

Cash to make mortgage payments. Cash to buy food. Cash to meet car payments—pay for child care—buy gasoline—buy school clothes—pay a tax bill.

The new American Republic "1-2-3 Direct Cash Plan" can pay you badly-needed cash every week you are in the hospital, for up to a full year.

This new service of Americare™ is designed to go hand-in-hand with Medicare—or any other health insurance you may now have.

Easy As 1 - 2 - 3

Protection under the new American Republic "1-2-3 Direct Cash Plan" is available in individual protection "units". Each "unit" pays you \$62.50 per week actual cash (at the rate of \$7.50 a day) for every week you spend in the hospital due to accident or illness—plus much more! \$212.50 if you have the "3-Unit" Plan—and are hospitalized for a full year! See other side of this sheet for complete details.

Your decision is easy—just choose the plan that fits your needs best. And best of,

all, no matter which you choose, you get...

Protection That PAYS

According to latest 5-year figures, American Republic returned a greater percent of premium dollars to policyholders in claim benefits than any of the other Top 40 insurance companies offering individual accident and health insurance.

Why not send for full information today? It's easy. Just tear out and mail the attached postage-free card, or write to American Republic Insurance Company, Des Moines, Iowa.

Special "Entire" FEE: **Entire \$5 or Over**. Send today for absorbing new fold-out "Important Facts About Medicare and Americare" folder—and see what Medicare "pays" what YOU will have to pay on hospital and doctor bills—and how much you could collect from an American Republic "Direct Cash Plan" while in the hospital. No obligation. Just check the box on the attached card.

Compare All These Advantages:

- Cash is paid direct to you. It is yours to spend any way you please.

- It is LifeGuarded Protection*. This means it is Guaranteed Renewable. It can be YOURS FOR LIFE, as long as you make timely payment of the current premium. It can NEVER be cancelled by the Company because of age, health, or number of claims.

- Pays whether you are in the hospital for injury OR sickness.

- Pays in addition to any other insurance carried with American Republic or any other company. Even pays in addition to Workmen's Compensation, Medicare, or any group plan.

- You are covered during any hospital confinement for any accident from the date your policy is issued, and for any sickness that begins after 90 days from date of issue. Unless, of course, your medical care is due to war, mental disorder, maternity, dental work, or when you are in a U. S. Government or Veterans Hospital.

- NO MEDICAL EXAMINATION, regardless of your age—and there is NO AGE LIMIT!
